PROF. WOOD'S
## HAIR RESTORATIVE.

THIS preparation, although less than two years before the public, owing to the wonderful effects upon the human hair and scalp, has already obtained a celebrity and sale perfectly unparalleled. That this preparation will actually

Restore Gray Hair to its Natural Color,

produce luxuriant growth upon the heads of the bald, prevent the hair from falling off, and when used as a toilet article produce a continual flow of the natural fluids, and thus render the hair soft, glossy and wavey, destroy diseases of the scalp and expel dandruff, the certificates of distinguished gentlemen and ladies in every part of the country, who have tried it, and likewise speak what they know, most fully attest. That by a proper use of the restorative the hair can be made to retain its natural color to almost any age allotted to humanity, by removing the cause of the disease from the scalp—no matter how long standing—the concurrent testimony of the press and the certificate of numerous respectable individuals of both sexes leave no doubt. Circulars containing full particulars relative to the use of this curative, as well as the recommendations of editors and certificates before alluded to, can be had of all agents. For sale by

Barber-Shop Poetry.

AIR—"*Bex Bolt.*"

Oh, don't you remember Lew Ransom, friend Joe,
Lew Ransom the Barber up town,
Who smiles with delight, when you give him a call,
And does up his shaving so brown.

In the neat barber shop on Main street, friend Joe,
Beneath the old green house so fine,
He has fitted up his shelves with soaps of every scent,
And the striped pole is his sign.

Upon his soft cushioned chair, old Joe,
That spreads wide its arms for us all,
Together we've sat in the noon-day time,
And snoozed while he shaved us so well.

Many Barbers have tried in vain, old Joe,
But their efforts can never compare;
For the customers flock around the shop to see
How tastefully he clips off the hair.

There's a change in the times I know, friend Joe,
They have chang'd from the old to the new,
And I feel in the depths of my pocket the truth
That prices down town of have chang'd too.

Four years have passed, or more, old Joe,
Since Lew Ransom's name was first hail'd,
And his shop is deemed a blessing in truth,
For to please he has never yet failed.
