Woodruff's Patent Suspending Eave Troughs, Patented 1854.

I take the pleasure of announcing to my numerous friends and the Building community of Seneca County that I have purchased the Patent, and sole right for putting up this valuable improvement in said county and am prepared to

All persons wishing spouting done

IN DOUBLE QUICK TIME,

will find it largely to their interest to call at York's Emporium and mammoth Tin Shop.

Notice is hereby given to Tinners in Seneca County to not use this improvement after this date.

Ambrotypes
UNISON & FAY

WOULD respectfully announce to their friends and the public that they have entered into copartnership for the purpose of taking Ambrotype Likenesses in connection with Daguerreotyping. The Ambrotype is a new and beautiful style of picture taken on glass, and for delicacy of shade, tone and brilliancy are unequaled by any other style. To be appreciated they must be seen. Having obtained the Ambrotype process from one of the best practical operators in the United States, they flatter themselves that they can produce these pictures equal to any taken in this country.—Their cost is but a trifle more, than a Daguerreotype, and they are indestructible to the action of the atmosphere and cannot be injured by rubbing or washing. Call and examine specimens.

JOHN STAUB & CO.

RESPECTFULLY announce to the public that they are no longer in any way interested in the SHAWHAN HOUSE STABLES, but still carry on the LIVERY BUSINESS at their old stand, where the public, as heretofore, will always find good hotses and fine carriages—better and cheaper than at any other stable in Tiffin. PASSENGERS will be taken to any section of the country on short notice, DAY OR NIGHT. Any of Staub's friends can have their horses kept and fed in his stable at all times. Saddle Horses and single buggies—or buggies to let without horses; in fact we can accomodate the public in any shape or form. That is our aim and we are bound to do it, without fear of 'friend or foe.'

☞ The rumor that STAUB & CO. have SOLD their LIVERY stock is a LIE! We still have the best Stock of horses and buggies in Tiffin, and our prices are lower than ever.

☞ "OLD JOHN" will be on hand at all times at his stable, where he looks "everything over himself.

DOCTOR HOOFLAND'S CELEBRATED
GERMAN BITTERS,

PREPARED BY C. M. JACKSON, Philadelphia, Pa

WILL decisively cure Liver-complaint, Dyspepsia, Jaundice, chronic or nervous debility, diseases of the kidneys, and all diseases arising from a disordered stomach or liver.

Such as constipation, inward piles, fulness, or blood to the head, acidity of the stomach, Nausea, Heart burn, disgust for food, fulness or weight in the stomach, sour eructations, sinking or fluttering at the pit of the stomach, swimming of the head, hurried and difficult breathing, fluttering at the heart, choking or suffocating sensations, when in a lying position, dimness of vision, dots or webs before the sight, fever and dull pain in the head deficiency of perspiration, yellowness of the skin and sver, pain in the side, back, chest, limbs, &c. Sudden flushes of heat, burning in the flesh, constant imaginings of evil, and great debility of spirits.

The proprietor in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues, and its adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale is unrivaled by any similar preparations extant.—The testimony in its favor given by the most prominent and well known Physicians and individuals in all parts of the country, is immense

Thomas Letchford, Covington, Ky., December 27, 1853, says: "My wife has been affected with the Liver Complaint and dyspepsia for a number of years, during which time I have paid a great deal for doctoring, but she received very little benefit therefrom and finally the doctors said she could not be cured. Last spring she concluded to try your bitters; she took two bottles, and ever since taking them she has been able to attend to her business. I have sold quite a number of bottles through her recommendation, and as far as I can learn, it has given satisfaction to all.

David Abbott, Austinburg, Ohio, December 5, 1853, says: "Permit me to bear testimony to the remarkable efficacy of your German Bitters in the cure of Liver complaint. For years previous to taking it, I was severely afflicted with disease of the liver, so much so that I did not expect to live, but by a free use of the bitters thanks to a kind Providence, I find myself entirely restored to health and able to resume my usual employment."

These Bitters are entirely vegetable, and free from all injurious ingredients.
