AUDITOR'S OFFICE, SENECA COUNTY,
City of Tiffin, December 5th, A. D. 1856.

Agreeably to the provisions of an act, entitled "an act to amend an act prescribing the duties of County Auditors," passed February 24, 1844, I hereby give notice that the several tracts of land, town lots and parts of lots, contained in the foregoing list, or so much thereof as will pay the taxes, interest and penalty charged thereon, will be sold at the Court House in the City of Tiffin, on the second Monday in January, A. D. 1857, (being the 12th day of said month,) unless such taxes, interest and penalty be paid before that time.

JAMES M. STEVENS, Auditor.

Money! Money! Money!

WHY BE WITHOUT MONEY? when it is just as easy for any one to be around with a pocket full as not, if they only think so. I have got a new article, from which from five to twenty dollars can be made, either by male or female. It is highly respectable business, and an article which is wanted in every family in the United States. Enclose me two dollars by mail, at my risk, and I will forward by return mail a circular, with full instructions in the art. The business is very easy—Try it. If you are out of employment, and you will never regret it: for it will be better for you to pay the above sum, and insure a good business, than to pay twenty-five cts. for a spurious advertisement. This is no humbug. *Try it! Try it! Try it!* Address your letters to

DWIGHT MONROE, New York.

I sent one of my circulars to an *Editor* in Georgia, and he gave me a notice in his paper like the following:

"Mr. Monroe sent me one of his Circulars, and I will just say to my readers that whoever of you are out of employment that Mr. Monroe's business is a good business, and money can be made out of it by any one who engages in it, for it is no humbug." dec12-3m

TO THE SICK.

JANUARY APPOINTMENTS.

DR. H. TUBBS,

A NANYTIC PHYSICIAN, will be in attendance at TIFFIN, at the Shawhan House, Friday and Saturday until 11 o'clock a m 30 and 31 Jan.
FREMONT, Kessler's American, Thursday, 29 Jan,

For consultation upon all diseases of the Throat, Lungs, Heart, Liver, Stomach, Bowels, Kidneys and Spleen; also, Dropsy, Gravel, Rheumatism, Nervousness, Debility, Dyspepsia, Female Diseases, Ague and Fever, Fits, Impurities of the Blood, Eruptions, Cancers, Ulcers, and all other varieties of long-standing complaints, both external and internal.

For some years Dr. T. has devoted his entire time to chronic diseases, treating thousands annually, many of whom had exhausted every other resource within reach. In no case are minerals or cathartics employed, or does he make sick to make well, nor tear down to build up. The medicines can be taken with safety by the most delicate, and patients may remain at home and continue with pursuits their ordinary diet and exercise. Many have recovered under the treatment after friends and physicians had given up all hope, the indisputable evidence of which can always be furnished. Invalids, however reduced and disparaging, are invited to call, and may be assured that encouragement will be given, or expense incurred, without a corresponding prospect of recovery.

Fits.—Their Curability.

BRACEVILLE, Trumbull county, O. July 1856.

Dr. TUBBS, Sir.—two years ago last april, I called with my son to have him treated for fits. He had had them every two weeks for a year and a half before, after you prescribed he had but one sin. has had none since then.

Various other medicines had been given without benefit and our physicians said he never could be cured.

Yours truly SOLOMON HUBER.

Monumental Daguerreotype Cases

A method has long been sought for, to insert in a durable manner, Daguerreotype Likenesses to Head Stones and Monuments. I have been manufacturing these cases for the last two years, and can warrant them to secure the picture for a long number of years.

The outside case is made of Parian Marble, and the box which incloses the picture and keeps it in a state of great preservation for a long number of years, is made of brass—a screw box. It makes a very neat job on a Head Stone or Monument. They are used in Greenwood Cemetery, Mount Auburn, Laurel Hill, and many other Cemeteries in the United States.
