GREAT SALE at KILBOURN CITY, in Columbia County, State of Wisconsin. There will be offered at public Sale, by the proprietors, on MONDAY, August 18, 1856, and during the entire week, ONE THOUSAND to TWO THOUSAND CITY LOTS, situated in different parts of the plat, suitable for business and residences.
TERMS OF PAYMENT
Will be made easy, by a small amount in hand, and the remainder on long time, with a low rate of interest and a liberal discount to all persons who shall make valuable improvements within a year from the time of purchase, or to those who may prefer to pay in hand.
KILBOURN CITY
Is situated on the Wisconsin River, immediately below that romantic spot known as THE DELLS, and in the midst of a rich agricultural country, and of the boldest and finest scenery in Wisconsin. The site of the city itself is beautiful and healthy in the extreme, being an elevated plain, rising smoothly and evenly from a bluff elevation of 80 feet above the river, which flows around its western boundary, to an elevation of about 250 feet, where it meets the table land at its eastern boundary, two miles distant from the river.
At this point the LA CROSSE and MILWAUKEE RAILROAD crosses the Wisconsin River, affording easy communication between the eastern and western portions of the State and the country beyond.
Also, at this point one of the largest water-powers in the State is in process of being erected, by the Wisconsin River Hydraulic Company, under a charter granted by the State. The Wisconsin is the largest river in the State; and this water power will be the lowest down on the river of any that can be improved, thereby giving to it peculiar advantages, which will speedily invite the erection of MILLS and MANUFACTORIES of every description. JOHN S VLIET, Pres't of the Wisconsin River Hydraulic Co.
Kilburn City, July 1, 1856.

THE NEW-YORK CENTRAL RAILROAD COMPANY, TREASURER'S OFFICE, Albany, July 1, 1856.—This Company having paid, in cash out of its current means, the sum of seven hundred and fourteen thousand three hundred and twenty three dollars and forty-nine cents ($714,323 49), on account of the principal of the debts assumed by it for the several companies existing at the time the consolidation of the line was agreed upon, which debts then amounted to one million nine hundred and forty-seven thousand eight hundred and fifteen dollars and seventy-two cents ($1,947,815 72), maturing at different periods from the year 1858 to the year 1865, with one item in 1867, it has been resolved by the Board of Directors, in conformity to the views stated in this behalf in the Financial Circulars and Reports of the Company heretofore issued, to provide for funding the principal of this debt as it matures. An issue of the Bonds of the Company for this purpose to an amount which shall eventually not exceed the said sum of one million nine hundred and forty-seven thousand eight hundred and fifteen dollars and seventy two cents, has been determined upon, to be used, so far as relates to the excess over the sum already paid, as aforesaid, from time to time, hereafter, only as the maturity of the indebtedness of the former Companies still unpaid may render desirable, except in those cases in which an exchange of securities may be made, as hereinafter mentioned. These Bonds will be of the denomination of $1,000 each, with coupons for the interest attached, and be made payable at the expiration of twenty years from their date, with interest semi-annually at the rate of seven per cent per annum, at the Company's Agency in the City of New-York, on the first day of February and August in each year.
A Sinking Fund of three per cent per annum out of the income of the Company, on the whole amount of the said bonds, which may at any time have been issued and which shall not have matured, has been established by the Directors, which fund, by its yearly application to the extinguishment of the debt, or by supplying means to be used eventually for that purpose, will in itself provide for a large portion of the issue before maturity.
This Sinking Fund will be invested in the outstanding obligations of this Company, giving a preference to those of this issue, if they can be procured at rates as favorable as its other issues. Any person holding any of the outstanding obligations of either of the former companies, bearing the like rate of interest as the proposed issue, the payment of which has been assumed, as before stated, by this Company, may, at any time, surrender such obligations to this Company, in sums not less than one thousand dollars, and receive in place thereof bonds of this issue; the interest account to be adjusted at the time of the exchange; but the Company reserves the right, or giving ten days previous public notice in at least two daily newspapers published in the City of New-York, to withdraw this permission as to parties who do not apply to make such exchange before the expiration of such notice.
Proposals are now invited for the whole or any portion of five hundred thousand dollars of these bonds, being the whole amount now intended to be issued, such proposals to be indorsed, "Proposals for New-York Central Railroad Company's Bonds," and to be addressed under seal to the undersigned, at Albany, by whom the same will be received until 12 o'clock (noon), on the 17th day of July instant, at which time such proposals will be opened in the presence of the Directors of the Company, or of a Committee of their number, at the Treasurer's Office in the Exchange in the City of Albany.
The right is reserved to reject any proposal which it may not be considered for the interest of the Company to accept. The amount of any proposal which may be accepted is to be paid at the Treasurer's Office in Albany, or may be deposited to the credit of the Company with Messrs DUNCAN SHERMAN & Co., Bankers, New-York, or with Messrs. J. E. THAYER & BROTHER, Bankers Boston, on the 1st day of August next, on which day the bonds will bear date and be ready for delivery. On any amount paid previously interest will be allowed to that day, at the rate of seven per cent per annum. By order of the Board of Directors. JOHN V. L. PRUYN Treasurer.
