THE

WESTERN FAMILY REMEDIES,

A. LANGWORTHY,

THEY ARE THE

AROMATIC VEGETABLE CATHARTIC PILLS,

—THE—

AROMATIC FEVER AND AGUE PILLS,

AND THE

EXCELSIOR EYE BALM.

SOLD BY DRUGGISTS EVERYWHERE.

DO YOU DESIRE HEALTH?

THEN READ A WORD

BEFORE YOU THROW THIS DOWN AS WORTHLESS.

It is a fact well known to all our Western citizens, that the miasma that is constantly present in the air of this rich western country, and the changes which occur so frequently from heat to cold, give rise to various forms of disease, and it becomes an important inquiry then to us, what we can do to prevent these sudden attacks, to which we are so liable? An old saying is, "an ounce of prevention is worth a pound of cure," and in nothing is it truer than in this,—for in however many forms we are attacked with illness, the primary cause is nearly the same. We catch cold, or over-eat, the pores of our body become closed and the refuse matter which is generally thrown out of the system by sensible or insensible perspirations, remains in it and clogs it up, and the consequence is that the inward functions of the body cannot perform their duty, any more than a watch can, the cogs of whose wheels are filled with dirt. Every part of our bodies demands its different element from the food, and the part our stomachs take is to eliminate such parts, and send them in their proper direction; when our system is fully open this is well and beautifully done, and such parts of our food as are not needed, are thrown out by perspiration, and the natural outlets of our bodies,—but when cold, or any other cause, stops these outlets, this offal (if we may so speak,) remains in the body; and Fevers, Rheumatism, Jaundice, Liver Complaint, Ague, Neuralgia, &c., &c., occur. What then shall we do? the answer is easy—cleanse the system thoroughly, restore these natural outlets and we are free. When shall we do it? Shall we wait till the disease becomes set upon us? No, let us take

A SIMPLE VEGETABLE REMEDY,

Immediately when the first symptoms commence.

NO CALOMEL! NO POISON!!

but a good physic, composed of the healing plants Nature has herself provided. This you can find in the

AROMATIC VEGETABLE CATHARTIC PILLS,

PREPARED BY

A. LANGWORTHY, FINDLAY, O.

We compound them from a Western experience—we know what you want, because we want them ourselves. Then when that Dull Headache, Pain in the Back or Side commences, when in short you feel your system getting out of order,

GO RIGHT TO WORK,

take enough to cleanse your system thoroughly, then take them along for a while to keep your bowels open and regular, and you will thank us for compounding them.

It may be that you have neglected yourself until you have Fever and Ague, Chill Fever, Dumb Ague—either Acute or Chronic—then procure a bottle of

"LANGWORTHY'S AROMATIC AGUE PILLS,"

use them according to directions, and break up the disease; if you have had it a long time, use the Physic Pills, to keep your system regular, and

DO YOUR SUMMER'S WORK.

These Ague Pills are compounded for those who are tired of taking Quinine, Arsenic, or any poisons. We warrant them entirely compounded from the Vegetable Kingdom, and offer a reward of $1,000, to any one who will detect any Mineral in any Medicine we advertise as Vegetable.

These Pills were compounded, and first used in the fall of 1855, during the great prevalence of Bilious disease—were compounded on the ground where the disease prevailed, and not where they theorize about it (as is the fast,)—it was gotten up when Quinine, and the other Medicines failed, and was warranted to cure, and not one in a dozen bottles failed—it is the

PEOPLE'S REMEDY!

It is not gotten up with miraculous powers; but it will cure

FEVER AND AGUE,

AND ALL FORMS OF BILIOUS DISEASE SAFELY AND SURELY.

There are some cases where the system is so far of disease, that nothing but a thorough turning over will do any good, and in these cases, this Remedy proceeds to do it—in such cases nausea is produced, (in the common dose,) but persons can avoid this by doing the whole slower, and taking smaller doses, and a longer time to cure.

In some cases, where the liver is torpid, the patient will have one or two Chills after commencing the Medicines; but as soon as the Pills are fairly taken up by the stomach, and the system is on for its full vigor, the Chills must stop. In any case where it is desired to stop a sick-turn at the Stomach, this is produced by these Ague Pills, a dose or two of Paregoric Essence will relieve.

Look out for your appetite, after being cured by these Pills, or you will overeat.

One bottle will BREAK the Ague upon four grown persons, but to fairly cure should all be taken by one.

We would also call your attention to the

EXCELSIOR EYE BALM,

FOR ALL DISEASES OF THE EYE OR EYELID,

UPON PERSONS OR HORSES.

Inflammations, Films, Ulcerations, Weak sight, and all forms of Diseased Eyes are cured so readily, that where it is best know it is considered almost MAGICAL in its healing influence. A Physician from Indiana writes:—

"Your medicine has given PERFECT and ENTIRE SATISFACTION in every case."

One Drug Store that has sold, the past season, over EIGHT HUNDRED BOTTLES says it did not fail in a single instance.

An old Horse Jockey, who has handled horses all his life, says:—

"If your Eye Balm, with a little Bleeding and Physicing where the system is too full, will not cure, then my eyes go the Eye."

One lady, who had been deceived of sight in one Eye, by a Salve, for six years says:—

"After thirty Physicians had prescribed, without our ever done me, your Medicine is performing a cure."

Civilly and honestly, will you deprive yourself of good remedies, because some, would be wise enough to cry out Quackery—or you will try one box of our

FAMILY MEDICINES,

and be healed of your Diseases. We do not put on our Eye Balm for anything but sore Eyes and Eye Lids; but if you have it in the house, you need not suffer with Sore Mouth, or Ulcers anywhere out of the body, for it has healing in all such surfaces, that it will CURE THEM QUICKER, than anything else. Apply it, if you wish, with a quill feather, to the sores, once, twice or three times a day, as you deem necessary.
