THE DESIGN.

It is the design of the proprietors of these Colleges to perfect a chain of Business Schools from East to West, affording the most ample facilities for young men and young ladies to qualify themselves for responsible positions in life. The students at the points above are established in fine halls, and are all in a most prosperous condition. The teachers in the various departments are thoroughly accomplished practical business men.

THE COLLEGIATE COURSE

Will embrace the most approved and practical forms of keeping books by Double Entry in the various departments of Trade and Commerce, including the General Wholesale and Retail, Manufacturing, Exchange, Commission, Manufacturing, Railroad, Banking, Printing, Mining, Steamboating, Individual, Partnership and Compound Company Business. All manuscripts from which the creation emanes, are written to a bold, rapid business hand, which will serve as a great auxiliary in securing to him an excellent style of writing.

WRITING DEPARTMENT.

This department is under the immediate supervision of P. R. Spencer & Sons. To the public this is a sufficient guarantee that it will be well conducted. While Mr. S. is conceded to stand eminently high as an Author and Teacher, it may in justice be said of his sons, who are associated with him, that they compare favorably in point of artistic attainment with their accomplished master. This is without doubt the most desirable place to pursue Penmanship as a study in the entire West.

THE LADIES' DEPARTMENT

Is entirely separate from the gentlemen's, and is fitted up in a neat and convenient manner.

TIME OF COMMENCING.

As there are no terms, and no vacations, students may enter at any time, and prosecute their studies without interruption or classes. By this arrangement, any student is permitted to progress rapidly as his or her application will admit.

THE COLLEGIATE COURSE

which is intended to embrace all branches of Purely Mercantile, has been recently enlarged, and can now be regarded as one of the most lengthy, thorough and complete courses offered to the public in any similar institution in the United States.

BOOK KEEPING DEPARTMENT

embraces three distinct grades, viz: Initiatory, Regular and Extended Courses, embracing Folsom's New Method, recommended by over twenty of the most reliable Practical Accountants of Cleveland.

NEW METHOD OF TEACHING

strikes at the very geminating germs of the Science, revealing the great natural two-fold division of the Ledger, whereby is seen the properties of demarkation between Natural Representative Property and the governing laws of transfer, as regards its affecting the two classes of accounts, and those of same class; in every variety of transactions, thus stripping this most useful and beautiful science of much of its time-honored mysteries made such by arbitrary and indefinable rules, meaningless forms and false sentiment, and hence enables the student to acquire correctness of accounts as embodied in actual practice.

THE INITIATORY COURSE

embraces a regular progressive series of manuscript cards, classified somewhat as to the variety of transactions. It aims to develope the first principles and philosophy of Accounts, rather than mere routine and actual formula, by addressing the reason and judgment of the student, who studies with the view of apprehending and arresting at results, and so pursues an historical system with much greater confidence, pleasure and independence.

THE REGULAR COURSE

is intended to represent every species of business, from the smallest Retail to the heaviest and most intricate of Wholesale and Commission, as well as Banking, Railroading, etc., demanded at present by our vast and constantly increasing Commerce.

THE EXTENDED COURSE

embraces lengthy, practical sets from the various Business Forms, and is designed for such students as may wish to spend longer time than the time required for the Regular Course, and that gradually, in preparatory to entering some Special House.

By taking in addition the Extended Course, the student will be faithfully and profitably employed six months.

PENMANSHIP, "Practical and ornamental," in all its varieties, will be taught in the most thorough and efficient manner, by one of the best teachers in the West. Besides a casual method of teaching Business Writing, the Chirographic System will also be taught. This system, so popular and recommended by our best educational men, is now taught in the Public Schools of Cleveland, Columbus & Toledo. Many other schools are open for good teachers of Chirography, as soon as they can be qualified.

DAILY LECTURES on Practical and Theoretical Book-Keeping, Mercantile Laws, Commercial Ethics, Political Economy, Art of Computation, Commercial Calculations, Mercantile Customs, Banking, Exchange, Commerce, Railroading Commercial History, Business Correspondence, Penmanship, etc.

The New Hall of Rooms, of this College, occupies the finest location in the city, situated as they are on the corner of the Public square and Superior street, affording a fair view of most parts of the city and the Lake. The rooms are neatly and tastefully furnished, surpassing in beauty and convenience, perhaps those of any similar institution in the Union.

The LADIES' COURSE is the same as that of the Gentlemen, also has equal facilities to all ladies who may wish to avail themselves of the Commercial Course.

The Principals having an extensive business acquaintance is enabled to secure good situations for many of his graduates.

AYER'S Cathartic Pills,

(SUGAR COATED.)

ARE HERE TO

CLEANSE THE BLOOD AND CURE THE SICK.

Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and Judge of their Virtues.

FOR THE CURE OF

Headache, Sick Headache, Foul Stomach.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing. J. V. HENRIE.

Yours with great respect, ED. W. PREBLE,
Clerk of Steamer Chester.

Bilious Disorders and Liver Complaints.

DEPARTMENT OF THE INTERIOR,
WASHINGTON, D. C., Y Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them.

Fraternally yours, ALFRED HALE, M. D.,
Physician of the Marine Hospital.

Dysentery, Relax, and Worms.

POST OFFICE, HARTLAND, LIV. CO., MICH., Nov. 16, 1855.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick and pining away for months. Went off to be discharged at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it too, and was given up by two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely even then. Such a medicine as yours, which is actually good and honest, will be valued here.

OREN S. GRIFFIN, *Postmaster.*

Indigestion and Impurity of the Blood.

From Rev. J. V. Henrie, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood.

JOHN G. MEACHAM, M. D.

Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum.

From a Prominent Merchant of St. Louis, Feb. 4, 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of eruptions upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

Rheumatism, Neuralgia, and Gout.

From the Rev. Dr. Hawles, of the Methodist Episc. Church.

PULASKI HOUSE, SAVANNAH, GA., Jan. 5, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which seemed to fix in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until, by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them I am now entirely well.

BENJAMIN CHANDLER, RIVER REPUBLIC, LA., 5 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years. VINCENT SCIDELL.

For Dropsy, Plethora, or Fluid Complaints, requiring an active purge, they are an excellent remedy.

For Costiveness or Constipation, and as a Dinner Pill, they are agreeable and universal.

Fits, Suppression, Paralysis, Inflammation, and even Deafness, and Partial Blindness, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent without some personal experience of its efficacy, and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptives it prevents than those it cures. Keep it by you, and cure your colds while they are curable, not neglect them until no human skill can master the incurable canker that, fastened on the vitals, eats your life away. All know the doubtful fatality of lung disorders, and so they know too the virtues of this remedy, we need not do more than to assure them it is still made the best it can be. We spare no cost, no care, no toil to produce it the most perfect possible, and then afford those who rely on it the best agent which our skill can furnish for their cure.

ROXBURY, MASS.

DEAR MADAM,—The reputation of the Medical Discovery, for curing all kind of humors, is well established by the unanimous voice of all who have ever used it, that I need not say anything on the subject, as the skillful physicians and the most eminent Druggists in the country are unanimous in its praise.

In presenting the Medical Discovery to your notice, I do it with a full knowledge of its curative power, in relieving all, and curing most of those diseases to which you are so frequently subjects. That most excruciating disease to an affectionate mother,

NURSING SORE MOUTH,

is cured speedily, a sweeter you can scarcely be restored to its natural sweetness and your babe from short and fretful naps to calm and sweet slumbers; and the Medical Discovery becomes a fountain of blessing to your husband and household.

In the more advanced stages of

CANKER

it extends to the stomach, causing

DYSPEPSIA,

which is nothing but canker in the stomach; then to the intestines and

KIDNEYS,

creating a sinking, gone feeling, and an indifference even to the cares of your family.

Your stomach is

RAW AND INFLAMED,

you food distresses you, and you can only take certain kinds, and even of that your system does not get half the nourishment it contains as the acrimonious fluid of the canker eats on them your complexion loses its bloom and becomes sallow or greenish, and your best days are gone. Want of nourishment your system become lazy and sluggish, and the fibres of your body become relaxed. Then follows a train of diseases which the Medical Discovery is good any adapted to

CURE:

Palpitation of the heart, pain in the side, weakness of the spine and small of the back pain of the hip joint, nervous series, irregularity of the bowels, and also, that most excruciating of diseases, the

PILES.

How many thousands of poor women are suffering from this disease and rising away a miserable life, and their next door neighbor does not know the cause. I wish to impress every mind that good old proverb, "An ounce of prevention is better than a pound of cure" In the

MEDICAL DISCOVERY

you have both the preventative and the cure. with the great and good quality, that it will never under any circumstances, do you any injury.

No change of diet or exercise necessary—eat the best you can get and enjoy life.

DIRECTIONS FOR USE—Adults one table spoonful per day. Children over ten years, dessert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

Yours truly, DONALD KENNEDY.

Price $1.00 per bottle. For sale by I. L. St. John & Co.; R. McD. Gibson, H. D. Snyder, J. F. Wooster, Tiffin, and by Druggists generally. del1-1y
