JOHN W. DAY, Local Editor.

THE COMMITTEE OF ARRANGEMENTS for the celebration, will hold their next meeting at the M. E. Church next Saturday, June 14th. The following persons are members of that committee: James Monroe, H. Gibbs, G. B. Carson, Nelson Chapman, Noah Leaverton, Jacob Boucher M. R. Dutton, Isaac Fowler, N. W. Taylor, and C. B. McClellan, of Oskaloosa Township; Jerome Kunkle, of Kentucky; James A. Mann, of Grasshopper Falls; J. C. Todd, of Jefferson; A. J. Kleinhans, of Kaw; P. A. Reed of Osawkee; and T. A. Turner, of Rock Creek.

DARING ROBBERY.—We are informed that on Thursday night, Mr. N. W. Curtis' mules were stolen from his stable. The particulars we have not learned before going to press, only that a revolver was drawn on Mr. Curtis, while he was unarmed. He closed the door in the scoundrel's face, and went for his weapons, but the thieves had got his mules and fled. Pursuit was soon made, but with what success we have not heard.

PROMPTNESS NEEDED.—It will be seen by reference to another column, that the Committee of Arrangements for the celebration of the 4th of July have had a meeting and appointed other committees to do certain duties that are necessary to be performed, in order to make the demonstration successful. It is important that these committees act promptly, and we hope they will be diligent in the performance of the duties assigned them. The Committe appointed to visit the families to ascertain what each will provide for the dinner should be ready to report to the Committee of Arrangements at their next meeting on Saturday, the 14th inst.

THE VISITING COMMITTEE will be expected to report at the next meeting of the Committee of Arrangements. Let them bear this in mind.

THE SECOND VOLUME
OF
THE INDEPENDENT

WILL commence on Saturday, the 3d day of August, 1861, and will be published weekly, as heretofore, at Oskaloosa, Jefferson County, Kansas. This paper is devoted to Literature, Arts, Sciences, Local and General News, Agriculture, Horticulture, Markets, and all features necessary to make it a suitable and desirable paper for

THE HOME CIRCLE,
THE MERCHANT, THE MECHANIC, AND THE FARMER.

It is, as its name indicates, independent on all subjects, (not neutral,) and in all respects up with the times. Established in 1859, it has passed through the severe pressure occasioned by the unparalleled drouth of that year, has just completed its first volume, and offers new attractive inducements to renewal and new subscribers. The prospect for a prosperous future for Kansas is so favorable as to induce the belief that almost everybody in Jefferson County can subscribe and pay for at least one copy of the only paper published in the County-seat. Let every man interest himself in extending the circulation of the Independent, first by subscribing yourself, and then by asking your neighbors to subscribe.

TERMS:—One copy one year, payable in advance, $2. Ten copies one year, payable in advance, $15, or $1.50 each. Trial subscribers taken for four months at 50 cents each.

☞ Clean rags taken on subscription.

☞ For the present application should be made, or letters addressed, to JOHN W. DAY, Oskaloosa, Jefferson County, Kansas.

Fielding P. Vaughan, vs William P. Chiles.

John M. Price, Esq., attorney for the said plaintiff having filed in the Clerk's office of said Court his certain affidavit setting forth that the said William P. Chiles is a non-resident of this State, it is ordered that the said defendant, William P. Chiles be notified by publication being made in the "Independent," a weekly newspaper published in said County of Jefferson, for six successive weeks, of the pendency of this suit, the object of which is to obtain a judgment against the said defendant and in favor of the said Fielding P. Vaughan for the sum of $300, with interest thereon from the 1st day of January, 1860, at the rate of ten per cent per annum, said to be due the said plaintiff from the said defendant on a certain instrument in writing obligatory made by the said defendant to said plaintiff on the 9th day of June, 1858, whereby the said defendant sold to the said plaintiff three certain bonds issued by the city of Atchison, Kansas for the sum of $100 each bearing interest at the rate of 10 per cent. per annum from the 1st day of January, 1860, and redeemable on the 1st day of January, 1861, which said bonds the said defendant promised and agreed to redeem in default of their redemption by the said city of Atchison on the said 1st day of January, 1861. Said defendant is further notified that his property, to wit: the south half of the north west quarter of section six in township nine of range nineteen in Jefferson County, State of Kansas, has been attached, by virtue of an order of attachment issued in this cause, and that unless the said defendant plead, answer or demur to the petition of the said plaintiff filed in this cause on or before the 5th day of August 1862 such petition will be taken as true and judgment rendered accordingly, and said attached property will be sold to satisfy the judgment so rendered.

{L. S.} Witness my hand with the seal of said Court affixed at my office in the village of Oskaloosa on the 8th day of May, 1862.

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which festers in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently vast numbers perish by disorders which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S
Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this everywhere prevailing and fatal malady. It is combined from the most active remedials that have been discovered for the expurgation of the foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only Scrofula, but also those other affections which arise from it, such as ERYSIPELAS and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, or ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS and BOILS, TUMORS, TETTER and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, all COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "*impurity of the blood*" is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

AYER'S
Ague Cure,

FOR THE SPEEDY CURE OF

Intermittent Fever, or Fever and Ague, Remittent Fever, Chill Fever, Double Ague, Periodical Headache, or Bilious Headache, and Bilious Fevers, indeed for the whole class of diseases originating in Biliary derangement, caused by the Malaria of Miasmatic Countries.

We are enabled here to offer the community a remedy which, while it cures the above complaints with certainty, is still perfectly harmless in any quantity. Such a remedy is invaluable in districts where these afflicting disorders prevail. This "CURE" expels the miasmatic poison of FEVER AND AGUE from the system, and prevents the development of the disease if taken on the first approach of its premonitory symptoms. It is not only the best remedy ever yet discovered for this class of complaints, but also the cheapest. The large quantity we supply for a dollar brings it within the reach of everybody; and in bilious districts, where FEVER AND AGUE prevails, every body should have it and use it freely both for cure and protection. A great superiority of this remedy over any other ever discovered for the speedy and certain cure of Intermittents is that it contains no Quinine or mineral, consequently it produces no quinsing or other injurious effects whatever upon the constitution. Those cured by it are left as healthy as if they had never had the disease.

Fever and Ague is not alone the consequence of the miasmatic poison. A great variety of disorders arise from its irritation, among which are *Neuralgia, Rheumatism, Gout, Headache, Blindness, Toothache, Earache,
