WEDNESDAY JULY 22, 1874.

NO LITTLE GOWN TO PUT ON TO-NIGHT.

[The following lines, written by Mrs. Jacob Martin, of this city—the overflowing of her heart—we copy from the last number of the Cairo "Gazette." Those who know the greatness the author of the verses lately suffered in the death of a beloved and beautiful child, will appreciate the tone of tender pathos that pervades them.—ED. BULLETIN.]

No little white gown to put on to-night:
No little lullaby now to sing,
Nor blossom'd lips to press to my own;
Nor baby arms 'round my neck to cling!
And we list'n in vain for the baby words
Falling in showers of music sweet,
Silence oppresses us when we recall
The blithesome sound of her busy feet.

And oft when we look in some sweet, soft face,
Unconsciously thinking to find HER there:
In disappointment we turn away
And our loss in silence we sadly bear.
Oh! mothers worn and weary to-night,
Duty-driven almost to despair;
As tired and faint you nestle your child
How I envy you your pain and care!

And I envy you, too, your broken rest;
Your midnight watch and your aching brow,
And the weight that burdens your loving arms,—
Mine are so empty, so empty now,
No little white gown to put on to-night.
And our hearts cry out for the baby dear,
Whose body sleeps in its narrow crib—
Whose spirit lives in a higher sphere.

CIRCULAR FOURTY-FOUR.

To School Directors and Township Treasurers.

DEPTMENT OF PUBLIC INSTRUCTION,
SPRINGFIELD, ILL., July 16th, 1874.

The attention of School Directors and Township Treasurers is called to the important fact that certificates of the amounts of special taxes required to be levied in school districts for school purposes, must be returned to the County Clerk on or before the *second Tuesday of August*, instead of the second Monday of September, as heretofore, in compliance with the requirements of the 1-2d section of the "Act for the assessment of property and the levy and collection of taxes," as amended by the act approved May 8, 1872, and in force July 1, 1872. (2, Gross, 2d Edition Acts 1872-3, 36th Par. 4.)

Boards of Directors should hand their certificates to the Township Treasurer on or before the first Tuesday of August, and it will be the duty of the Treasurer to file the same with the County Clerk on or before the second Tuesday of August, aforesaid.

This matter is very important, and should receive immediate and careful attention.

County Superintendents of Schools are requested to send a copy of this circular to every Township Treasurer in their respective counties, without delay; and also to have it, or the substance thereof, published in the county papers as extensively as practicable.

NEWTON BATEMAN,
Superintendent of Public Instruction.

CALL FOR A DEMOCRATIC CONVENTION.

A Democratic Senatorial Convention is hereby called to meet at Golconda, Illinois, on Saturday, August 15th, 1874. The object of the convention will be to nominate candidates for senator and members of the legislature to serve in the next general assembly, and to consult as to the best means for furthering the welfare of the Democratic party in this district. The basis of representation in the convention will be one delegate for each one hundred votes cast for Hon. S. S. Marshall in Hardin county, and Hon. Geo. W. Newspaper advertising is now recognized, by business men having faith in their own wares, as the most effective means for securing for their goods a wide recognition of their merits.

Newspaper advertising impels inquiry, and when the article offered is of good quality, and at a fair price, the natural result is increased sales.

Newspaper advertising is a permanent addition to the reputation of the goods advertised, because it is a permanent influence always at work in their interest.

Newspaper advertising promotes trade, for even the dullest times advertisers secure by far the largest share of what is being done.

Newspaper advertising is the most energetic and vigilant of salesmen; addressing thousands each day, always in the advertiser's interest, and ceaselessly at work seeking customers from all classes.

Prospectus for 1874 EVENTH YEAR

THE ALDINE.

An Illustrated Monthly Journal, universally admitted to be the handsomest periodical in the World. A representative and champion of American taste.

NOT FOR SALE IN BOOK OR NEWS STORE

The Aldine, while issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure light and graceful literature; and a collection of pictures, the rarest specimen of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of The Aldine will be most appreciated after it has been bound up at the close of the year. While other publications may claim superior cheapness, as compared with rivals of a similar class, the Aldine is an unique and original conception—alone and unapproached—absolutely without concept' in price or character.

ART DEPARTMENT, 1874.

The illustrations of the Aldine have w. a world-wide reputation, and in the art centres of Europe it is an admitted fact that its wood cuts are examples of the highest perfection ever attained. The common prejudice in favor of "steel plates," is rapidly yielding to a more educated and discriminating taste which recognizes the advantages the advantages of superior artistic quality with greater facility of production.

The quarterly tinted plates for 1874 will be by Thos. Moran and J. D. Woodward.

The Christmas issue for 1874 will contain special designs appropriate to the season, by our best artists, and will surpass in attractions any of its predecessors.

PREMIUMS FOR 1874.

Every subscriber to the Aldine for the year 1874 will receive a pair of chromos. The original pictures were painted in oil for the publishers of the Aldine, by Thomas Moran, whose great colorado pictures and purchased by congress for ten thousand dollars. The subjects were chosen to represent ten thousand dollars. The subjects were chosen to represent "The East" and "The West." One is a view in the White Mountains, New Hampshire; the other gives the Cliffs of Green river, Wyoming territory. The chromos are each worked from thirty distinct plates, and are in size 1(2x16) and appearance exact fac-similes of the originals.

NEWARK, N. J., Sept. 29, 1873.

Messrs. James Sutton & Co.:

GENTLEMEN—I am delighted with the proofs in color of your chromos. They are wonderfully successful representations by mechanical process of the original paintings.

Very respectfully, THOS. MORAN.

These chromos are in every sense American. They are by an orinal American process, with material of American manufacture, from designs of American scenery by an American painter, and presented to subscribers to the first successful American Art Journal. If no better because of all this, they will certainly possess an interest no foreign production can inspire, and neither are they any the worse if by reason of peculiar facilities of production they cost the publishers only a trifle, while equal in every respect to other chromos that are sold singly for double the subscription price of the Aldine.

If any subscriber should indicate a preference for a figure subject, the publishers will send "Thoughts of Home" a new as beautiful chromo, 14x20 inches, representing a little Italian exile whose speaking eyes betray the longings of his heart.

$5 per annum, in advance, with Oil Chromos free.

For $50 CENTS EXTRA, the chromos, mounted, varnished, and prepaid by mail.

The Aldine will, hereafter, be obtainable only by subscription. There will no be reduced or club rate; cash for subscriptions must be sent to the publishers direct, or handed to the local canvasser, without responsibility to the publishers, except in cases where the certificate is given, bearing the facimile signature of James Sutton & Co.
