Contributions for Kansas—Clothing and Provisions.—Read the following:

TO THE CITIZENS OF THE FREE STATES.

The undersigned, citizens of Kansas, feeling the necessity of a concert of action, and an immediate effort in order to supply the anticipated wants of our brethren in Kansas during the coming Winter, beg leave to appeal to all the friends of Freedom to immediately forward their contributions to the National Committee at Chicago, which Committee is acting in concert with the Central Committee in the Territory. We beg that all contributions be sent through the National Kansas Committee, and not through individuals, unless they are fully authorized by said National Committee.

S. C. POMROY,
ROBERT MORROW, T. B. ELDRIDGE, J. M. WINCHELL, S. W. ELDRIDGE.

THE NEW-YORK CITY AND COUNTY KANSAS COMMITTEE have opened an office at
NO. 120 WEST BROADWAY,
and will take charge of all contributions for the above object.

Friends of the cause at a distance had better send their contributions direct to Chicago; they will go safely, if properly boxed and directed to W. F. M. ARNY, Chicago, who is General Transportation Agent of the National Kansas Committee.

The expense of transportation being great, NEW Garments are solicited. Warm Stockings, strong Boots and Shoes, Blankets, Flannel Shirts, and other ready-made Clothing are all wanted. Sewing circles of the various religious societies are invited to cooperate. Let benevolent merchants send us goods; let Fairs be held in aid of Kansas; let contributions be taken up in our churches; let the clergy of all denominations make special personal exertions in behalf of this great cause; let all good women interest themselves; in short, let there be an earnest and immediate effort made to provide for the suffering in Kansas.

ROE LOCKWOOD,
THEODORE McNAMEE,
CHARLES A. DANA,
THADDEUS HYATT,
EDGAR KETCHUM,
New-York City and County Kansas Committee, 120 West Broadway, N. Y.

To the Friends of Freedom.—The undersigned, having constituted themselves a Committee for the exclusive purpose of circulating Documents bearing upon the momentous questions now at issue before the American people, respectfully invite contributions from all who are interested in securing the triumph of Liberty and Law at the approaching election. Money in large or small sums, from whatever quarter it is received, will be scrupulously applied to this sole object, and not one cent of it will be diverted to any other use. All that is necessary, in order to carry the election by unexampled majorities, is that the People should have the means of thoroughly understanding the recklessness, folly and imbecility of the present National Administration, the outrages of which the Free-State men of Kansas are the victims, the necessity of securing that Territory to Freedom, and the qualifications of the People's candidate for the Presidency.

Contributions may be addressed to the Secretary of the Committee.

The coldest night we have had reminds those afflicted with Consumption that unless they attend to getting RUSHTON'S COD LIVER OIL at once, and commence using it, they will be troubled with a return of their old cough. It is the only remedy that possesses any curative properties for this disease; to which fact many thousands can testify, who have used it and are still continuing to take it.

Sold at $1 a bottle, or six bottles for $5, at RUSHTON'S, No. 10 Astor House, cor. Barclay-st., and No. 417 Broadway, cor. Canal-st.

Be particular to see it has FREDERICK V. RUSHTON'S name in full on each label.

Fluid Extract of Dandelion.—The preparations of Dandelion generally found in the market are inert and worthless, to an extent that creates the opinion that the plant has not the medical virtues which writers claim for it. The error arises from want of skill in its preparation. It is a valuable alterative, tonic, diuretic, and aperient; it has a specification on the liver, exciting, when languid, to secretion. The diseases to which it is especially applicable are, derangement of the digestive organs, dyspepsia, diseases of the liver and spleen, irritable condition of the stomach and bowels. In many cases of dyspepsia and liver complaint, our preparations have produced sore mouth and gums, affording permanent relief; this fact alone is conclusive in its favor as a remedial agent, when properly prepared. Prepared by TILDEN & Co., No. 80 John-st., New-York, and sold by all Apothecaries.

DRED;

NEW AND APPROPRIATE SCENERY, STARTLING STAGE EFFECT, &c.,
On THURSDAY EVENING, Oct. 16, 1856.
Believing that "what is worth doing at all is worth doing well," sufficient time has been allowed the Dramatist to do justice to himself, as well as to the distinguished authoress, by producing a drama which is a just and correct reflection of her popular book, instead of adopting merely the name. It will also be seen that this drama (which has been in rehearsal several weeks) embraces the names of every member of the SUPERIOR DRAMATIC COMPANY engaged at the Museum, as well as numerous valuable auxiliaries, including last and least, though by no means the least in importance, the redoubtable, renowned and admired "man in miniature,"
