COPPER DISTILLED

S. N. PIKE'S CELEBRATED *Magnolia Whiskey*

COUNTERFEIT!!

CAUTION TO PARTIES PURCHASING

S. N. PIKE'S

Magnolia Whisky,

CINCINNATI, OHIO.

THE undersigned, manufacturer and sole proprietor of the above brand of Whisky, would respectfully inform his customers and purchasers of this celebrated brand, that there has appeared in the Charleston and other Southern markets a counterfeit of the above Whisky, being a poisonous imitation, branded similar to his brand; it passes under the name of S. N. Dike's Magnolia Whisky, Cincinnati, Ohio, and other names similar to S. N. Pike. As there is no party in this city of the name of S. N. Dike, it is intended to impose and deceive those who would purchase the genuine brand. I make this statement to put parties on their guard, as there are several persons in the east and west making an imitation, and using my name with a slight alteration. I have analyzed several samples of this counterfeit brand, and found that it contains a deadly poison; this fact alone impels me to caution the public—protect those who are liable to be deceived, and prevent the evil results attending the use of this poisonous imitation. I also hereby caution the counterfeiters of my brand that I will prosecute them to the full extent of the law. The genuine S. N. Pike's Magnolia Whisky is distilled from the best qualities of Rye and Corn, and is warranted free from any deleterious or obnoxious compound, it being a pure and healthy beverage.

Many parties have recently commenced making a brand of Whisky called Magnolia, but they are an imitation of my trade brand; so be careful and get the only genuine Magnolia Whisky made in the United States, and distilled only by me.

The Great English Remedy.

Thorn's Compound Extract of Copaiba and Sarsaparilla,

Possesses advantages not enjoyed by any other medicine for the cure of sexual diseases, which must with an enlightened public render it assuredly highly popular, and a moderate trial long sought for in the medical world. It needs no confinement nor change of diet. Its is a proved form, that of paste; it is entirely tasteless, and causes no unpleasant sensation to the patient. It has acquired the first place in almost every part of Europe; it has been examined, approved of, and sanctioned by the faculty of medicine, and recommended by the most eminent of the profession. Prepared by J. W. THORN, Chemist, London, and for sale, wholesale and retail, by Jno. A. Tarrant & Co., Agents for the United States, 278 Greenwich street, New York.

As the above valuable preparation has been extensively counterfeited by unprincipled parties in the United States, the proprietor has adopted, as a precaution against imposition on consumers, a Label, of which the following is a fac similie, and which will be found wrapped upon the bottom of each box of the genuine intended for sale in the United States, Canadas, British Provinces, West Indies and South America.

The stamp around each pot will also bear the name of the Proprietor and of the United States agents.

Druggists and Dealers will observe on each dozen package the following label:

IMPORTANT CAUTION.—The increased reputation and great demand for Thorn's Compound Extract of Copaiba and Sarsaparilla, have been inducements for others to offer imitations of this valuable medicine. Vendors are particularly warned of this fact, that they may be on their guard, and not dispose of any impure article, calculated to injure their reputation, and destroy the merits of the original preparation, to obviate which the subscriber (successor to James Tarrant, by whom it was first introduced into the United States) has attached his signature to this caution, to counterfeit which is forgery.

Address orders for the above article with full directions for shipment to
