MONEY, GRAIN AND STOCKS

The Tone and Trend of Trade in Flour and Provisions in New York, Chicago, Detroit and Grand Rapids.

NEW YORK, May 9.—Money closed at 2 per cent, the highest rate. The lowest rate was ½ per cent. Exchange closed steady; posted rates 487½@489; actual rates, 486¾@486¾ for 60 day bills, and 488@488¼ for demand.

Government bonds closed steady. Currency, 109; currency coupon, 116. Bid extended, 2's, registered, 100 bid.

Pacific railroad bonds closed: Union firsts, 107⅝ bid; Union sinking funds, 106¾ bid; Centrals, 107¾ bid.

The movement in stocks this morning was narrow, most of the small trading accomplished was in about a half dozen stocks, notwithstanding the tendency was slightly lower. Prices were irregular and the change for most stocks was very slight. Rock Island & Omaha common were the weak spots, and at one time showed declines of 1½ and 1 per cent, respectively. New York Central, Chicago Gas and Reading displayed considerable strength; at noon prices were only slightly changed from Saturday's close. The sales to noon were 127,800 shares. In the last half of the day the market was decidedly more active and stronger. The coal stocks made rapid gains, and in fact nearly all of the list advanced more or less. Delaware & Hudson was especially strong and advanced on a heavy buying, closing 2⅝ per cent. higher. The buying and advance in this stock were due to reports that at the annual meeting of the road tomorrow several of the Vanderbilt representatives would enter the directory. The weakness of Rock Island in the early trade was due to bear raids, coupled with reports of heavy damage by floods. St. Paul & Omaha was weak on realizing, on the part of the bull crowd, which has been at work in the stock during the past several days. The closing prices as a rule were generally ½ to ⅝ per cent. higher. The total sales today were 350,983 shares.
