THE CRYSTAL OIL LAMP,
For Burning the Crystal Oil,
Combining Economy and Safety.
Patent Rights for States and Counties for Sale.
THIS important invention for producing the *cheapest* light to the world is now perfected and offered to the public. Numberless other attempts have been made to produce a cheap light, but we were attended with such inherent objections as to destroy their utility and adoption. But the Crystal Oil Lamp, while it is the *cheapest*, is both *safe* and *agreeable* in every position, making a *clear, white and brilliant* flame—entirely free from smoke or *odor*. There is no danger from explosion, but is *perfectly safe* under all circumstances. The oil can be used in any place without fear of soiling the nicest garments. The lamps are simply arranged and perfectly comfortable by the children and domestics, and so constructed that the light can be varied in a moment from that of one to eighteen or twenty ordinary lamps. While it is free from the disagreeable smell arising from the Kerosene and the danger attending the use of the burning fluid, it is found upon scientific comparison to produce
As much Light for ONE CENT as Kerosene will for THREE CENTS, or Burning Fluid will for SIX CENTS,
Thus saving five-sixths of the entire amount now expended, or the price of the lamp in about a month. They are adapted to all situations, making the cheapest and most desirable light for every place—the largest halls or churches as well as private dwellings. The patent on the Crystal Oil Lamp is for the States and counties throughout the Union, with the exclusive sale of the Crystal Oil, is now offered to the public, presenting a rare opportunity for merchants to secure for themselves the monopoly of a trade entirely free from opposition. Facilities are completed for the manufacture of the lamps to which quantities that they will be furnished to the purchasers at a low price, at such a cost as will yet leave an almost incredulous profit. These rights and the closest offer immediately, and the lamps and oil delivered as soon as desired. As no lamps or oil will be sold in any of the territories of rights, all letters making the request will not be noticed. Communications addressed to the "Crystal Oil Lamp Co." No. 8 Merchants Row, will be promptly attended to.

Our Pianos have received a Premium two years in succession, 1856 and 1857, at the Fairs of the American Institute, Crystal Palace, in competition with most of the leading manufacturers of New York and Boston, and are unquestionably of the best quality of tone, full, round and brilliant, as well as finish and durability, and we flatter ourselves, by the approval of renowned artists, in venturing to say that our Pianos stand superior to many others, and equal to any Grand Piano in regard to volume of tone and elasticity of touch, combined with the greatest firmness, which is very rarely met with in other Pianos.

Medical.

Roca's Remedy for Pulmonary and Tubercular Consumption
HAVING been appointed sole Agent for the sale of DON GIMONIMO ROCA'S celebrated CURE FOR CONSUMPTION, the public will now be put in possession of one of the most extraordinary remedies extant for what has heretofore been considered an incurable disease.
I have the more readily undertaken the agency, from the fact of its extreme simplicity—being an *outward application*, the action of which is seemingly miraculous, and its having none of those attributes which make up the numerous compounds now in general use.
With the utmost confidence in the success of this remedy, which has heretofore been used in private practice with great success, as is shown by numerous letters and certificates, is now offered to the public.
A pamphlet, containing directions, letters from distinguished individuals, and documentary evidences from the physicians of the hospital of Havana, Island of Cuba, &c., will accompany the remedy.
These speak volumes in its praise, and publicity is only required to render it as popular as it is beneficial. Address,
JAMES REES,
Sole Agent for the United States,
No. 341 Market street, Philadelphia.

R. R. R.
HEALTH will, in all cases, follow the use of Radway's R. R. Remedies. There are none so sick or diseased, so weak, feeble, or crippled with pain or infirmities, but that Radway's Ready Relief, Renovating Resolvent, or Regulators, as the nature of the disease or sickness may require, will quickly and rapidly cure.
These remedies consist of Radway's Ready Relief; Radway's Renovating Resolvent; Radway's Regulators. Each of these remedies possesses special curative powers over certain diseases. There are other diseases, wherein their combined medicinal properties are required; and when thus used, if there is sufficient life and strength within the diseased or dying body to sustain their action, the patient will live and be restored to health.
