Sickness Among Children

Especially infants, is prevalent more or less at all times, but is largely avoided by giving proper nourishment and wholesome food. The most successful and reliable of all is the Gail Borden "Eagle" Brand Condensed Milk. Your grocer and druggist keep it.

What a Pity

that the otherwise beautiful girl should have such bad teeth. And all because she did not use Sozodont. It costs so little to buy it considering the good it does, and its benefits stretch out into her future life. Poor girl!
