Safety, Utility and Beauty.
New England Trace Coupling Company.
State Rights for Sale.
WE are now exhibiting the desirable invention to the public. The Patent Trace Coupling is an article which needs only to be seen to be appreciated, and universally adopted. By this Coupling the Trace is attached to the whiffletree *instantaneously, without using the hands—cannot* be disconnected by *accident, is stronger* and more *durable than any other* attachment now in use, and makes what is so desirable in a fine carriage, an *excellent finish.*
The Couplings are manufactured of different materials, from the common iron to the *finest silver plate,* and can be supplied at a *lower cost* than anything that is now used for that purpose, leaving a margin for an *immense profit.* Any person with a moderate capital can soon realize a fortune in its sale.
We are prepared to furnish the Couplings, of the different grades and costs, in quantities as desired, to those only who purchase State rights.
The Couplings may be seen at the office of the Company, where a scale of prices may be obtained, and all communications must be addressed to "THE NEW ENGLAND TRACE COUPLING COMPANY," BARKER'S No. 3 OLD STATE HOUSE, Boston.

THE CRYSTAL OIL LAMP,
For Burning the Crystal Oil,
Combining Economy and Safety.
Patent Rights for States and Counties for Sale.
THIS important invention for producing the *cheapest* light in the world is now perfected and offered to the public. Numberless other attempts have been made to produce a cheap light, but have proved wanting in such important objections as to destroy their utility and adoption. But the Crystal Oil Lamp, while it is the cheapest, is both *safe* and *agreeable* in every position, making a *clear, white and brilliant* light, entirely free from smoke or odor. There is no danger from explosion, but is *perfectly safe* under all circumstances. The oil can be used in any place without fear of soiling the nicest garments. The lamps are easily arranged and perfectly controllable by the children and domestics, and so constructed that the light can be varied in a moment from that of one to eighteen or twenty ordinary lamps. While it is the most brilliant and desirable light for every place—the largest halls or churches as well as private dwellings. The patent on this lamp is the broadest that states and counties throughout the Union, with the exclusive sale of the Crystal oil, is now offered to the public, presenting a rare opportunity for merchants to secure for them selves the monopoly of a profitable business from opposition. Facilities are completed for the manufacture of the lamps in such quantities that they will be furnished to the purchasers of rights in any style, at such a cost as will ensure them the most liberal profit. These rights will be closed off immediately, and the lamps and oil delivered as soon as desired. As no lamps or oil will be sold to any but purchasers of rights, all let us know the request we will do the business. Communications addressed to the "Crystal Oil Lamp Co." No. 5 Merchants Row, will be promptly attended to.

ANOTHER TRIUMPH!
THE subscriber respectfully invites the attention of the public, and of purchasers particularly, to the superior *Premium Pianos,* Manufactured by him. A splendid assortment constantly on hand.
Our Pianos have received a Premium two years in succession, 1856 and 1857, at the Fairs of the American Institute, Crystal Palace, in competition with most of the leading manufacturers of New York and Boston, and are unquestionably of the best quality of tone, full, round and brilliant, as well as finish and durability, and we flatter ourselves, by the approval of renowned artists, in venturing to say that our Pianos stand superior to many others, and equal to any Grand Piano in regard to volume of tone and elasticity of touch, combined with the greatest firmness, which is very rarely met with in other Pianos.
We respectfully solicit an examination from strangers and friends to convince themselves of the above before purchasing elsewhere. All our Pianos are warranted.

We have already commenced operations in our blacksmith shop and Boiler yard, and shall give immediate satisfaction to old and new customers.
We are experienced Mechanics—each of us personally attending to his own department—and thus we shall be able to turn out superior work at lower rates than heretofore done in this city. We shall warrant every piece of work done at this Establishment, and give prompt and personal attention to every article at our office; thus we hope to give general satisfaction, and be patronized by all friends of home manufacture.

Medical.

R. R. R.
HEALTH will, in all cases, follow the use of Radway's R. R. Remedies. There are none so sick or diseased, so weak, feeble, or crippled with pain or infirmities, but that Radway's Ready Relief, Renovating Resolvent, or Regulators, as the nature of the disease or sickness may require, will quickly and rapidly cure.
These remedies consist of Radway's Ready Relief; Radway's Renovating Resolvent; Radway's Regulators. Each of these remedies possesses special curative powers over certain diseases. Yet there are other diseases, wherein their combined medicinal properties are required; and when thus used, if there is sufficient life and strength within the diseased or dying body to sustain their action, the patient will live and be restored to health.

Constitutional Diseases.
Many diseases that afflict humanity are inherited as their looms from the diseased bodies of sickly sires. Scrofula, Consumption, Syphilis and Fits, are among the most common of constitutional diseases. Now, we care not how many generations the seeds of these diseases may have been established in the system, corrupting the blood—*Radway's Renovating Resolvent* will eradicate from the bodies of the afflicted every particle of diseased deposits, and fill the veins with new, pure and heal
