UNITED STATES LAND SALE.—SALES of LAND, by order of the President, will take place on MONDAY, May 4, at the Land Offices in Osage, Fort Dodge and Sioux City, Iowa, when 1,800,000 acres will be placed in market by the Government.
In consequence of the large grants which have been made to Railroad Companies, and the withdrawal from market of a like quantity adjoining, this sale will comprise nearly all the unsold land of first quality remaining in Iowa. The lands now offered are mostly situated in the Valley of the Boone and Des Moines rivers, and are considered among the best farming lands in the West. They are well watered and timbered, well located as regards climate and facilities for reaching market. The Dubuque and Missouri Railroad, now partly constructed, will, when finished, afford a ready means of access, and a corresponding increase in their value.
We have reliable agents who will attend the sales at each of the offices, and select lands for parties desirous of investing, and as they are men of long experience in the business, we have every confidence in their judgment.
We will secure funds for investment in lands, and give every information regarding charges, &c., and when it is desirable to use land warrants, furnish them at the best market prices.
