UNITED STATES LAND SALE.—SALES of LAND, by order of the President, will take place on MONDAY, May 4, at the Land Offices in Osago, Fort Dodge and Sioux City, Iowa, when 1,500,000 acres will be placed in market by the Government.

In consequence of the large grants which have been made to Railroad Companies, and the withdrawal from market of a like quantity adjoining, this sale will comprise nearly all the unsold land of first quality remaining in Iowa. The lands now offered are mostly situated in the Valley of the Boone and Des Moines rivers, and are considered among the best farming lands in the West. They are well watered and timbered, well located as regards climate and facilities for reaching market. The Dubuque and Missouri Railroad, now partly constructed, will, when finished, afford a ready means of access, and a corresponding increase in their value.

We have reliable agents who will attend the sales at each of the offices, and select lands for parties desirous of investing, and as they are men of long experience in the business, we have every confidence in their judgment.

We will secure the funds for investment in lands, and give every information regarding charges, &c., and when it is desirable to use land warrants, furnish them at the best market prices.

BROADWAY BANK.—At the meeting of the Board of Directors, held this day, the following resolutions were unanimously adopted:

"*Resolved*, That the Board of Directors of the Broadway Bank, pursuant to authority vested in them by Article 1, Section 2, of its Articles of Association, hereby authorize and direct its Capital Stock to be increased to the sum of $1,000,000 (that being the maximum amount permitted by said Articles of Association), upon the following terms and conditions:

"*First*: That said increase of Capital Stock shall consist of 16,000 shares, of the par value of $25 each, amounting to the sum of $400,000, and that the same be offered first to the parties whose names shall appear on the books of the Bank as Stockholders on the 15th day of June next ensuing, at the rate of *two* shares of the new Stock for every *three* shares of the old, rejecting the fractional parts of each $100.

"*Second*: That in the event of any number of Stockholders *declining* or *omitting* to avail themselves of such privilege by the said 15th day of June, such stock may awarded to new subscribers.

"*Third*: That such Stock shall in no instance be issued at a less rate than $125 for every $100, and Stockholders and others desirous of becoming such are requested to signify their intention prior to the said 15th day of June.

"*Fourth*: That the increased Capital, together with the premium thereon, be paid in cash, on the 1st day of July, 1857, at the Banking-house."

It is estimated that the surplus earnings of the Bank on the 1st day of July, 1857, after the payment of the usual semi-annual dividend of FIVE per cent and all other charges, will amount to the sum of $170,000, or 28 per cent on the present Capital of $600,000, to which will be added the premium of 25 per cent on the $400,000 of new stock, making at that time the aggregate surplus profits of the Bank $270,000, or 27 per cent on the full Capital of $1,000,000.

The Subscription Books are now open at the Banking-house.
By order of the Board. F. A. PALMER, President.

The Officers of the Bank having been duly authorized by the Board, hereby give notice that, in accordance with such decision and with the said Articles, they will open Books of Subscription and receive subscriptions on the 15th day of June next, between the hours of 10 o'clock a. m. and 3 o'clock p. m., at the said Bank, in the City of New-York, from all persons who shall appear to be registered on that day on the books of the Bank as Shareholders in the said Continental Bank, in the proportion of one new share of the increased Capital Stock at par to every three shares then held by them respectively.

FOR SALE.—For permanent investment—8 per cent City and County BONDS. The undersigned offers for sale:

$20,000 Hancock County (Ill.) 8 per cent Bonds, dated July 1, 1856, and redeemable at the American Exchange Bank, in New-York, July 1, 1876; interest coupons, payable annually on the 1st day of July, $1,000 each.

$10,000 Warsaw City (Ill.) 8 per cent Bonds, dated May 1, 1856, and due at the American Exchange Bank, in New-York, May 21, 1876, interest coupons, payable January and July 1, $1,000 each.

The above Bonds were issued in confirmity with an Act of the State Legislature, authorizing the issue of Bonds to aid in the construction of the Warsaw and Rockford Railroad. The amount of taxable property in the county for the year 1856, was $5,308,949; taxes, $73,508; population, about 25,000; area in acres, 452,840. The amount of taxable property in the city is $1,000,000; taxes, $8,050; population, 3,490. The authorized issue by the city is $50,000, and no more can be issued by either the city or county without an Act of the Legislature, and sanctioned by the people, so that every precaution has been taken to make these bonds unquestionable in point of security, and they cannot be repudiated under any circumstances.

Hancock County is one of the most prosperous in the State, and it is expected that 50 miles of the above Railroad, from Warsaw to Oquawka Junction, will be finished and in full operation in 60 days from the present time. I have fully examined the strength of these securities, and I can recommend them to my friends and the public with the utmost confidence, believing that they will compare with anything in the market, and for a permanent investment no safer Bonds can be found. For a copy of the Act under which these Bonds were issued, and full particulars, apply to ALBERT H. NICOLAY,
