Our business motto is to deal with the manufacturer and the seller of the articles in which we deal, is wide spread, and is now established.
We combine all our buying of Goods with ready money, and thus try to protect ourselves from the occasional necessity of paying above value for any article we may buy.
We have ample Sales and Storage Rooms, and are otherwise well prepared to do business to any extent desirable. No House in the United States of equal magnitude, can practice greater economy in the conduct of its business. We sell as low as we can to be compensated for the labor and risk of trade, but no lower—we then it be to secure ready money.
We are free buyers of good quality wool packed Feathers, Ginseng and Beeswax, at all they are worth, and invite shipments to any extent, to be paid for on delivery, with money paying Bills Notes or the thing itself, if demanded. Yarn Socks, Country Linseys and Brown Jeans, are purchased by us with merchandise at the time of delivery.
Buyers of Goods at wholesale will find the Nashville market as well or better furnished with Fall and Winter Stocks of Goods than ever before. It is now the market for nice things and good bargains for those who know how to buy. Our own is not the only first class wholesale establishment in our city. We simply claim to be one of the best.

Greatest Medical Wonder
OF THE AGE!
COWAN'S
VEGETABLE LITHONTRIPTIC,
or
Friend of the Human Family!

THE world is challenged to produce a medicine that has afforded the same amount of relief to suffering humanity as Cowan's Lithontriptic.
COWAN'S LITHONTRIPTIC has cured thousands of cases of stone in the Bladder and Kidneys.
COWAN'S LITHONTRIPTIC has cured the most aggravated cases of Gravel ever seen, and is the only certain remedy now known for the above diseases.
COWAN'S LITHONTRIPTIC never fails to cure all the diseases of the Kidneys and Bladder.
COWAN'S LITHONTRIPTIC is the only sure remedy for Diabetes.
COWAN'S LITHONTRIPTIC is a certain cure for Chronic Gonorrhœa and Gleet.
COWAN'S LITHONTRIPTIC cures weakness of the Loins.
COWAN'S LITHONTRIPTIC has cured the worst cases of Prolapsus Uteri ever known.
COWAN'S LITHONTRIPTIC is the only sure remedy that has successfully cured Barrenness.
COWAN'S LITHONTRIPTIC will cure the worst forms of Dropsy.
COWAN'S LITHONTRIPTIC will cure long standing cases of stricture and remove Venereal Taint from the system.
COWAN'S LITHONTRIPTIC is the only remedy known for the cure of all sympathetic complaints attending on Pregnancy, and every female who is pregnant should at once procure a bottle if she wishes to feel well, while in that condition.
COWAN'S LITHONTRIPTIC is the only remedy ever yet discovered that will relieve the pains of labor and the whole female world should rejoice that such a discovery has been made whereby they have obtained a sure friend to assist them in the greatest trial of their life.
The most incredulous will be convinced of the great efficacy of the Lithontriptic by reading the following certificates and those around each bottle:—

NEAR JACKSON, Madison county, Tenn.,
To all persons afflicted with Gravel.
MR. J. F. COWAN:—Dear sir—I hereby certify that in the summer of the year 1855, a servant of mine, a boy about 19 years of age, who had always before this time been stout and of a vigorous constitution, was attacked with gravel. A Physician was called who attended on him for several months, during which time he grew worse daily, until he was helpless, and I believe would have died in a few days had it not been for a friend, who advised the use of Cowan's Lithontriptic. I procured a few bottles, the first of which gave him relief, and in a short time he was able to walk about, and finally fully recovered, since which time he has had no symptoms of said disease, and to all appearance is as healthy as any servant on my plantation. I therefore recommend it to all persons suffering under like disease, as one of the most certain remedies known.
Given under my hand this August 22d, 1857.
DANIEL SHELTON.

JACKSON, Tenn., August 22, 1857.
The above case was perfectly cured by 13 bottles of the Lithontriptic, and was one of the worst cases of Gravel that has ever been in this country.
ALEX. ADAMSON.

Let every female who expects to become a mother read the following and profit thereby:—
YORKVILLE, October, 1853.
MR. J. F. COWAN—Dear sir—You are hereby authorized to publish under my certificate the following note that the suffering community may be benefited. I have given birth to nine children, and my life being miraculously saved (as I consider) by your medicine I cannot in justice to you and the public withhold my testimony to its many virtues.
I used your Lithontriptic in small portions perhaps once a day, for five months, which dispelled virtually the distinct sickness of the stomach and headache which had annoyed me, to an alarming extent in all my former pregnancies. When I was confined I took about two wine glasses full of the same medicine, which gave me an easier delivery by a great deal than I ever had before. Now in this all I have seen it tried in one case, and heard from a respectable source in another case, that your Lithontriptic was tried in, and the Midwife with others in attendance were thoroughly convinced that the pain of the delivery was very much assuaged by its use. We really believe it is what it claims to be and ought to be without your invaluable medicine during pregnancy, and particularly as the time of confinement, it has a marked tendency to relax the system, consequently the pain is much diminished. I have heard further my Physicians and Midwife both said that I had dropsy of the Womb, and I now enjoy better health than I have done in ten years, and I believe the disease is entirely cured.
Sir, I do this that the sufferings of very many of my sex may be alleviated if they can only overcome their prejudices so much as to try the Lithontriptic. If any person wishes to know my opinion further upon this subject, they can address me at Yorkville, Tenn.
ELIJAH SNOW,
CYNTHIA L. SNOW.
I was present and heard Mr. Snow acknowledge the facts contained in the above certificate. I have been acquainted with Mr. and Mrs. Snow for many years, and have reason to believe the truth of their certificate.

The Great English Remedy.
Thorn's Compound Extract of Copaiba and Sarsaparilla,
POSSESSES advantages not enjoyed by any other medicine for the cure of sexual diseases, which must with an enlightened public render it admirably high popular, and a desideratum long sought for in the medical world. It needs no confinement or change of diet. In its approved form, that of paste, it is entirely tasteless, and causes no unpleasant sensation to the patient. It has acquired the utmost fame in almost every part of Europe, it has been extensively approved of, and sanctioned by the faculty of medicine, and recommended by the most eminent of the profession. Prepared by J. B. THORN, Chemist, London, and for sale, wholesale and retail, by Albert A. Tarrant & Co., Agents for the United States, 278 Greenwich street, New York.
As the above valuable preparation has been extensively counterfeited by unprincipled parties in the United States, the proprietors have adopted, as a protection against imposition on consumers, a label, of which the following is a fac simile, and which will be found burnt in upon the bottom of every vial of the genuine intended for sale in the United States, Canadas, British provinces, West Indies and South America.

The stamp around each pot will also bear the names of the Proprietor and of the United States agents.
Druggists and Dealers will observe on each dozen package the following label:
IMPORTANT CAUTION.—The increased reputation and great demand for Thorn's Compound Extract of Copaiba and Sarsaparilla, have been indequents for others to offer imitations of this valuable medicine. Vendors are particularly warned of this fact, that they may be on their guard, and not dispose of any impure article intended to injure their reputation, and destroy the merits of the original preparation, to obviate which the Subscriber (successor to James Tarrant, by whom it was first introduced into the United States) has attached, his signature to this caution, to counterfeit which is forgery.
