MRS. MARTHA TAYLOR'S EXPERIENCE.

AN UNNATURAL APPETITE.

Lived on Rare Boiled Eggs Four Years and Nearly Starved to Death.

Some years ago Mrs. Martha Taylor, who lives not far from Grand Rapids, was taken with a painful and distressing feeling in her stomach. Nothing seemed to do her any good and the pain and distress continued until her stomach became so sore and sensitive that she could not bear the pressure of her clothes to rest upon it. She lost flesh and strength and became very nervous and despondent. It was very difficult for Mrs. Taylor to find anything she could eat without distress. Ordinary white bread felt like red-hot coal in her stomach. Meat and all kinds of vegetables would lay like a stone and distress her terribly. The only article of diet she had been able to eat was rare boiled eggs, and for the past four years she has lived on them. A few weeks ago Mrs. Taylor applied to Dr. French, the magnetic physician at the Hotel Vendome, 188 East Fulton street, and later on she ate roast turkey, vegetables, bread and butter and apple pie for dinner. She has been able to eat anything for the past week without distress, and says it is all due to Dr. French's magnetic treatment, for he did not give her a single dose of medicine. She says she cannot begin to tell what she has suffered, and to be again a well woman is more than she ever expected. She gives this statement to the public to thank the doctor for what he has done and to advise others to go and see him, but does not care to be overrun with curious idlers. This case was cured without a dose of medicine, as was Miss Lillie Clark, who still remains well and visited Dr. French last Monday. Nothing more wonderful ever transpired in the annals of the healing art, and they stand as a living monument of Dr. French's wonderful power to control diseases. Dr. French treats all diseases of every name and nature. Do not wait to see a case like yours published, but go right now and be cured by his magnetic power and medical skill. Office hours from 9 a. m. to 6 p. m. Consultation, advice and examination free.
