FIGURES OF TRADE

New York, Aug. 27.—Money on call loaned early at 1½, the upper end, the only rate from noon out.

Exchange closed steady, posted rates, 487 and 489 for sixty days and 490 for demand.

Government bonds steady; currency, 4s, 112 bid; coupons 4s registered, 112 bid; coupons 4s, 112½ bid; coupons 4s, 113 bid; coupons 5s, 100½ bid; coupons 6s, 100 bid; coupons 6s, 104 bid.

Stocks were dull until today, only 30,000 shares changing hands in the first two hours of business. The tone of the market was firm in Reading and Sugar Trust. Northern Pacific and Atchison lost a point, St. Louis preferred, in the early dealings, other trunk declined ½ per cent to the last recovered later on most of the decline. Missouri Pacific was the only strong stock and advanced and fell to the last, aside from the specialties there was very little change in the complexion of last night, which was indicative of a decrease of apathy in opinion and a tendency to reserve, and had no apparent effect upon prices.

Chicago Grain.

Chicago, Aug. 27.—Wheat closed half higher. The cashers seem to feel apparently less disheartened, and this in connection with some decidedly bullish news imparted a better tone to the market.

English cables came in stronger, the exports for the week proved unexpectedly heavy, being 4,000,000 in wheat and flour, from both coasts, making 16,000,000 during the past four weeks, and all the news from South Dakota went to show that the crop there was serious ly injured by the intense heat of a few weeks ago. There were also indications that the predictions of an early fall in farmers delivery were well founded, and this is considered a strong factor. The corn market was weak and closed lower. The fine weather everywhere and increasing favorableness of crop reports were the chief causes of the weakness as they discouraged the long and prolonged heavy liquid action where there was only a moderate demand. Oats exhibited a little weakness at opening, but slowly advanced and closed ½ and ¼ higher at the high point of the day. The cagiest prices amounted to only ¼ and ⅛. The market was decidedly strong in view of the weakness that characterized corn, but the trade was light and void of special interest. Provisions were lower and opening slight. Pork and ribs gained 5@17½, but lard is unchanged from last night. The markets looked as though the foundation of September pork was about over. This would remove the weak spot from those who have to pay for it. Hitherto and this was of course a bullish factor. Trade was not large, but it was fair for Saturday. Closing:

Wheat—No. 2, Cash: September, 73¾; December, 76⅝; May, 80.

Corn—August, 54¾@¾; September, 50¾@¾; October, 51¼; May, 54¾.

The success of Mrs. Annie M. Beam of McKeesport, Penn., in the treatment of diarrhœa in her children will undoubtedly be of interest to many mothers. She says: "I spent several weeks in Johnstown, Pa., after the great flood, on account of my husband being employed there. We had several children with us, two of whom took the diarrhœa very badly. I got some of Chamberlain's Colic, Cholera and Diarrhœa Remedy from Rev. Mr. Chapman. It cured both of them. I knew of several other cases where it was equally successful. I think it cannot be excelled and cheerfully recommend it." Twenty-five and 50 cent bottles for sale by F. J. Weyburg, druggist, No. 58 Monroe street.
