DERBY & JACKSON, No. 119 Nassau-st., New-York, have nearly ready for publication the following IMPORTANT WORKS:
I.
THE LIFE OF THOMAS JEFFERSON. In three octavo volumes. By Henry S. Randall, LL. D. With several Steel Illustrations, fac simile Letter, &c. Price $2 50 per vol.
Mr. Randall has been for many years engaged upon this important work, which is now completed. To enable him to make it as perfect as possible, he has been intrusted with the papers of Mr. Jefferson, which have not heretofore been accessible to the public. The author has had the aid and countenance of Mr. Jefferson's family in preparing the work for the press; it is, therefore both authentic and authorized. It is believed that no book of the season will attract more attention, or be looked for with greater interest, than this new biography of the great "Apostle of Liberty."
II.
THE LIVES OF AMERICAN MERCHANTS. By Freeman Hunt, A. M., Editor of The Merchant's Magazine. Two vols. octavo, with 20 Portraits on Steel. Price $2 50 per vol.
Mr. Hunt has for several years been gathering the material for this important addition to the literature of the country. It contains, among others, well-written Biographies of Thomas H. Perkins, Thomas P. Cope, Peter C. Brooks, James G. King, Stephen Girard, Matthew Carey, Jonathan Goodhue, Gideon Lee, Walter R. Jones, Samuel Appleton, Asa Clapp, John J. Astor, Amos and Abbott Lawrence, Judah Touro, Stephen Allen, Henry Laurens, and other prominent merchants, by such biographers as Edward Everett, Joseph R. Chandler, Charles King, the Rev. Dr. Berrian, the Rev. Dr. Blake, the Rev. E. Peabody, Alexander Walker, &c.
The work will be ready early this season, in various styles of binding.
III.
MARION HARLAND'S NEW BOOK!
MOSS-SIDE. By Marion Harland, Author of "Alone," and The Hidden Path."
"Love took up the harp of Life, and smote
On all the chords with might—
Smote the chord of Self, that trembling passed
In music out of sight."
One neat 12mo vol. Price $1 25.
Nothing need be said by the Publishers to awaken an interest in a new book by this charming authoress. Forty-seven thousand copies of her "Alone" and "Hidden Path" have been sold by her American Publishers, and the demand is at present as constant and regular as ever. In Europe they have met with still greater success—no other American authoress has yet been honored by republication in the Leipsic edition of Standard American Authors. Those who have read the advance sheets of "Moss-Side" unite in the opinion that it is superior to either of Marion Harland's former productions in interest, style and popular tact; it is full of incident on an exciting nature, while the plot is better and more systematically arranged. The first edition of 10,000 copies will be ready in August. Booksellers wishing an early supply of this sure-selling book will favor us with advance orders.
IV.

The Board will be ready to let the masonry for the gate houses and pipe chambers appurtenant to this Reservoir, and also for the Aqueduct connecting it with the main work, in a short time. Due notice of this letting will be given.

AMERICAN WATCHES—To the TRADE.—These Watches are made by the aid of new and original machinery and tools expressly designed to secure with a low price a fine, substantial and correct time-keeper. The movements are new, simple and beautiful in plan and construction, remarkably easy of repair, and have been pronounced by the ablest chronometer and watch-makers to be faultless in principle and quality, and by all who have used them to be reliable in performance. Each one is engraved "Appleton, Tracy & Co., Waltham, Mass.," and is accompanied by a certificate of genuineness and perpetual warranty over our written signature.
We ask no man to buy these Watches merely because they are of American manufacture. We ask only that this fact shall not be permitted to exclude them from consideration.
