Our Pianos have received a Premium two years in succession, 1856 and 1857, at the Fairs of the American Institute, Crystal Palace, in competition with most of the leading manufacturers of New York and Boston, and are unquestionably of the best quality of tone, full, round and brilliant, as well as finish and durability, and we flatter ourselves, by the approval of renowned artists, in venturing to say that our Pianos stand superior to many others, and equal to any Grand Piano in regard to volume of tone and elasticity of touch, combined with the greatest firmness, which is very rarely met with in other Pianos.
We respectfully solicit an examination from strangers and friends to convince themselves of the above before purchasing elsewhere. All our Pianos are warranted.

Our business acquaintance with the manufacturers and importers of the articles in which we deal, is wide spread, and is nowhere confined.
We consider all our buying of Goods with ready money, and trust to our good ourselves from the occasional necessity of paying above value for any article we may buy.
We have ample Sales and Storage Rooms, and are otherwise well prepared to do business to any prudent extent. No House in the United States of equal magnitude, can practise greater economy in the conduct of its business. We sell as low as we can to be compensated for the labor and risk of trade, but no lower unless it be to secure ready money.
We are free buyers of good quality well packed Feathers, Country and Beeswax, at all they are worth, and invite shipments to any extent, to be paid for on delivery with money paying Bank Notes or the thing itself, if demanded. Yarn Socks, Country Linseys and Brown Jeans are purchased by us with merchandise at the time of delivery.
Buyers of Goods at wholesale will find the Nashville market as well or better furnished with Fall and Winter Stocks of Goods than ever before. It is now the market for nice things and good bargains for those who know how to pay. Our town is not the only first class wholesale establishment in our city. We simply claim to be one of the leading.
