Varieties.
Our business acquaintance with the manufacturers and importers of the articles in which we deal, is wide spread, and is nowhere confined.
We conclude all our buying of Goods with ready money, and thus try to present ourselves from the occasional necessity of paying above value for any article we may buy.
We have ample Sales and Storage Rooms, and are otherwise well prepared to do business to any extent. No House in the United States of equal magnitude, can practice greater economy in the conduct of its business. We sell as low as we can to be compensated for the labor and risk of trade, but no lower unless it be to secure ready money.
We are free buyers of good quality well packed Feathers, Ginseng and Beeswax, at all they are worth, and invite shipments to any extent, to be paid for on delivery with money paying Bank Notes or the thing itself, if demanded. Yarn Socks, Country Linseys and Brown Jeans, are purchased by us with merchandise at the time of delivery.
Buyers of Goods at wholesale will find the Nashville market as well or better furnished with Fall and Winter Stocks of Goods than ever before. It is now the market for nice things and good bargains for those who know how to pay. Our own is not the only first class wholesale establishment in our city. We simply claim to be one of the best.

FALL AND WINTER GOODS!
WE are opening the most elegantly assorted Stock of desirable
