Stocks were dull this morning. New England, Burlington, Jackson, Reading, Erie, St. Paul, Sugar Trust and Northern Pacific preferred were the most active. New England opened firm and advanced ½ per cent, and then said reports down to 1 per cent on the announcement that Gardner refused to serve as a director of the company. The general list declined in sympathy, but only fractionally. At noon prices were slightly changed from those of yesterday. The sales for the morning amounted to 35,000 shares. After noon the market was more active. There was considerable selling of the leading stocks. Something of a scare developed because of the arrival of the cholera, and the bears took advantage of it to attack the list, declaring that many brokers would leave the city and sell out their holdings. The lowest prices of the day were current. The decline ranged from ½ to 2½ per cent. The sales for the day amounted to 127,300 shares.
