FIGURES OF TRADE

New York, Sept. 5.—Money on call loaned easy at 2½ to 4 per cent. The closing rate was 2½ per cent.

Exchange steady; posted rates, 487½ to 488; actual rates, 486¾ for sixty days and 488¼ for demand.

Government bonds steady; currency, 4s, 112 bid; 4s, coupon, 112¼ bid; extended 3s reissued 109 bid. Pacific railway bonds closed as follows: Union first, 116½ bid; sinking funds, 109½ bid; Centrals, 103½ bid.

Stocks were dull this morning. The sales amounted to 100,000. The principal trading was in Reading, St. Paul, Sugar trust and Louisville & Nashville. Prices were firm throughout and notwithstanding the unfavorable bank statements showing a decrease of over $30,000 in the reserve, they closed ½ to 2½ per cent higher, the latter in sugar trust.

Chicago Grain.

Chicago, Sept. 5.—Wheat and all grain opened somewhat panicky on lower cables and a report that a steamer had arrived at New York with cholera on board and had twenty-three deaths during the passage. This started everybody to selling and the first trading was about half decline from the close last night, and for a time it looked rather panicky, but the fact that wheat is already very low and that about all the adverse conditions that can possibly occur have been well covered. A reaction of ½ per cent lower was noted all around and prices were the lowest of the year. Charters were 200,000 bushels. Corn was extremely weak on the cholera scare, fine weather and the big receipts today and the heavy arrivals expected Tuesday. For a time it seemed almost friendless and everybody was pressing sales. October and May recovered some of the decline on reports of rain over the northwest and the belief that cold weather will follow, but September received no support whatever and closed at the lowest point (½c lower than last night. The other closed ¼ lower. Oats made a decline of ¼ to 1 per cent. This state of affairs was due to the fact that September was offered for sale presumably by Northern Washington, with no takers, while there was a good demand for May, and hardly enough appeared on sale to enable brokers to fill their orders.

In the cash market a slightly weaker feeling existed. The provision market was well held amid the weakness which surrounded. The bears were aided by the reports of the cards of only 5,000 hogs having come in, and the market for them from 5 to 10c higher. The tussel between the bulls and bears in provisions has now about narrowed itself down to a contest between the big local packers and speculators the general speculative public recognizing the fact that their chances in the deal are poor. Numerous of the board Monday, Labor day and a legal holiday.
