What a wonderful thing is a live seed. Immature, old or dead it may look the same. How to know? Old gardeners say that

Burpee's seeds grow.

This is the proof of life. When grown we give our word you will be satisfied—your success is ours. **BURPEE'S FARM ANNUAL** for 1904, 172 pages, tells all about the Best Seeds that Grow. The newspapers call it the Leading American Seed Catalogue. Yours free for the asking if you plant seeds.
