FIGURES OF TRADE

New York, Sept. 6.—Money was a little more stringent today, closing at 4 per cent. The ruling rates were 5 to 6 per cent.

Exchange steady; posted rates, 487½ to 488; actual rates, 486½ to 487 for sixty days and 488 to 489 for demand.

Government bonds quiet; currency, 4s, 112 bid; 4s, coupon, 112½ bid; extended 3s registered 108 bid. Pacific railway bonds closed as follows: Union 1sts, 109½ bid; sinking funds, 107½ bid; Centrals, 106 bid.

Stocks were very dull this morning. Up to noon only 45,000 shares had been sold. The principal dealings were in Lackawanna, Reading, Sugar trust, Atchison and cotton oil. Prices were weak throughout and at noon were down ½ to 1½ per cent. There was more doing after 12 o'clock and prices were somewhat firmer. London houses were moderate buyers. Sugar trusts advanced on the anticipation of 2½ per cent. The week features were the coal shares. The closing prices as a rule were ¼ to 1½ per cent higher. The sales amounted to 771,143 shares.

Chicago Grain.

Chicago, Sept. 6.—The wheat market started heavy under generally bearish influences. Prices were forced slightly under the previous low figures made on Saturday, but the market met with good support and at the close was ¼ to ⅜ cents higher. At the outset the cables were weak and lower. A private cable said Liverpool market depressed with excessive supplies. The receipts since Saturday were even greater than expected, reaching 1,574 cars. There was the general belief early that the visible supply would increase about 3,000,000 bushels. There was no hard frost anywhere and the northwest advices were that the wheat is safe from frost. English imports for last week were nearly 4,000,000 in wheat and the English visible supply was increased 1,200,000 bushels. All this made the professional bears more bold. Then the prospect changed somewhat. The latest dispatches were more favorable regarding the control of the cholera. The Atlantic reports showed about 1,500,000 cleared in wheat and flour since Saturday morning. The Chicago stocks, with all the big receipts, increased for the week but 87,000 bushels, and withdrawals were noted at 420,000 bushels. The estimate for Wednesday receipts was not as large as many expected at 300 cars, but more than all else on the topping side was the help from the visible supply reported.

Leonard's!

Call and see the table of New Colebod basket ware, they are the prettiest things for ferns for the dinner or lunch table—Fill the dish with moss and plant a maiden-hair fern in the center and you will have one of the most dainty of efforts and the beauty of it is—it does not cost much.

This table of Lovely Palm Jars is attracting a great deal of attention; now is the time to take up your plants before the frost comes, and you must certainly have two or three of these pretty Lovely jars to put them in. You will not find them expensive.
