Chicago Grain.

Chicago, Sept. 8.—There was a fair market today and good deal of short selling. Cincinnati price current estimates that the crop would not exceed 500,000 bushels, becoming known the bulls rallied and pushed the price back to nearly top figures. But the announcement was then made that two steamers which had been expected from Europe were in sight and both flying the cholera flag produced another season of depression, under which there was another drop of ½ cent. After that the market held steady with weak undertone and closed ½ to ¾ cents lower. The corn market started strong and sold up sharply. The firmness was due to the unfavorable crop reports in addition to the bad Kansas report which was received yesterday. The price current today said that the crop had made no improvement during the last week and while dry and cold weather had hastened the ripening it had lessened the yield. It estimated the crop at not to exceed 1,000,000,000 bushels. This sort of news caused much alarm among shorts. Later there was free selling to realize and this with weakness in wheat caused a decline which left the market practically unchanged from last night's prices at the close. Oats were much depressed by a heavy line of September which has kept the shorts very nervous. The provision market ruled firmer. The reports were favorable. Closing prices.

A DYSPEPTIC'S ARGUMENT

Is a gruel, and that gruel marks the limit of argument with him. The best way to get him to try a medicine would be to advise against it—but notice how different his tone after using Burdock Blood Bitters.

"I have suffered with dyspepsia for the last two years. Not long ago I commenced taking B. B. B. I am now on the second bottle, and I feel like a new man."

G. KNOX, 15 Sherwood Ave., Binghamton, N. Y."

Repeated Trials with Increasing success prove the fact that Burdock Blood Bitters will cure dyspepsia. The reason is plain, it tones the stomach to natural action and keeps the entire ways of the system free from clogging impurities.

"I have been troubled with dyspepsia and heart disease for nine years, and found no relief until I tried Burdock Blood Bitters. Now I am well after taking two bottles."
