NEW-YORK and LIVERPOOL UNITED STATES MAIL STEAMERS.—The ships composing this Line are: The ATLANTIC, Capt. Oliver Eldridge; the BALTIC, Capt. Joseph Comstock; the ADRIATIC, Capt. James West.
These ships have been built by contract expressly for Government service, every care has been taken in their construction, as also in their engines, to insure strength and speed; and their accommodations for passengers are unequaled for elegance and comfort.
The steamers of this line have improved water-tight compartments, and no expense has been spared to make them all as good as new; the thorough examination given them proves their mode of construction yet unequaled.
Price of passage from New-York to Liverpool in first cabin, $130; in second do., $75. From Liverpool to New-York, 30 and 20 guineas. An experienced surgeon attached to each ship. No berths can be secured until paid for.
