SIMMONS' LIVER REGULATOR

SIMMONS' LIVER DISEASE and Indigestion prevail to a greater extent than probably any other malady, and yet it is always amenable to the proper remedy when properly taken. If the Liver is regulated in its action, health is almost invariably restored. Indeed, it may be said of it in the Liver, comes Headache, Constipation, Jaundice, Pain in the Shoulder, Cough, Dizziness, Sour Stomach, Bad taste in the mouth, Bilious attacks, Palpitation of the heart, Depression of spirits, Nervous Irritability, and a hundred other symptoms. SIMMONS' LIVER REGULATOR is the best remedy that has ever been discovered for these diseases. It is mildly, effectually and perfectly vegetable, and may be taken by young or old, under any circumstances that it may be taken. It is harmless in every way; it has been for forty years, and has stood at the head of all medicines, and is known and sought for its virtues, since Dr. Alexander H. Stevens, of Georgia; Hon. Tom Pierce of Georgia; John Gill Shorter, Ex-Governor of Alabama; Gen. John B. Gordon; R. R. Nott, of Columbus, Georgia, are among the hundreds to whom we can refer. Extract of a letter from Hon. Alexander H. Stevens, dated March 8, 1872: "I can, of my own knowledge, recommend Dr. Simmons' Liver Regulator, with perfect confidence, to the public as a safe and efficacious medicine."

TUTT'S PILLS

A distinguished physician of New York says:

"It is astonishing how universally Dr. Tutt's Pills are used. In my daily rounds, I hear of them not only among the poor, but their virtues are heralded from the mansions of the wealthy and refined. Knowing the inventor from his long connection with the medical profession, I have great confidence in their merits, and of late have often prescribed them with the happiest results in cases where I desired to make a decided impression on the liver."

TUTT'S PILLS CURE SICK HEADACHE.

TUTT'S PILLS CURE DYSPEPSIA.

TUTT'S PILLS CURE CONSTIPATION

TUTT'S PILLS CURE PILES.

TUTT'S PILLS CURE FEVER AND AGUE.

TUTT'S PILLS CURE BILIOUS COLIC.

Dr. Tutt has been engaged in the practice of medicine thirty years, and for a long time was demonstrator of anatomy in the Medical College of Georgia, hence, persons using his Pills have the guarantee that they are prepared on scientific principles, and are free from all quackery.

He has succeeded in combining in them the *best vegetable antiseptic qualities of a strengthening, purgative, and a purifying tonic.*

Their first apparent effect is to increase the appetite by causing the food to properly assimilate. Thus the system is nourished, and by their tonic action on the digestive organs regular and healthy evacuations are produced.

The rapidity with which

PERSONS TAKE ON FLESH,

While under the influence of these Pills, of itself indicates their adaptability to nourish the body, and brace their efficacy in curing nervous debility, melancholy, dyspepsia, wasting of the muscles, sluggishness of the liver, and chronic constipation.

TUTT'S PILLS CURE KIDNEY COMPLAINT.

TUTT'S PILLS CURE TORPID LIVER.

WHEN THEY WEIGH IN GOLD.

SOUTHWICK, KY. Aug. 3, 1875.

DR. TUTT—Dear Sir: For ten years I have been a martyr to dyspepsia, constipation, and piles, and had well nigh exhausted the materia medica for relief from this living death, when, by accident, your Pills were brought to my notice. Suffice it to say, they cured me. The first dose gave me such relief that I could send to Nick's for more. I am now a well man, have a good appetite, can digest well, the piles have disappeared, and I have gained forty pounds in solid flesh. I would not be without them for their weight in gold.

REV. R. L. STEVENS.

They are perfectly harmless, can be taken by young or old without restraint of diet or occupation.

Seated on the extreme end of a narrow bench in the Central Market yesterday, was a boy who seemed to have made up his mind that life was a sham and happiness a myth. He was solemnly and intently gazing at a collection of four cabbage heads, six beets, a peck of onions and three cucumbers, when along came a young man and asked—

"What ails you?"

"Struck!" was the solemn answer.

"Have, eh? How'd you come out?"

"I was working for dad at fifty cents a day," sadly explained the boy on the bench. "I was the only hand, and I thought if I struck for a dollar a day he'd have to shut up shop and be busted or come to my terms."

"And did it turn out that way?" queried the other

"Not quite. The old man didn't seem a bit terror-stricken, but he bounced me through a window and hired another boy to do my work at three shillings a day!"

"What are you going to do about it?"

"Well, I s'pose I'll have to go around telling the boys that capital has ground me into the dust," was the tearful reply.—*Detroit Free Press*

"Oh, you say this gentlman was about fifty-five," said Canning to a pert young woman in the witness box, "and I suppose, now, you consider youeself to be a pretty good judge of people's ages, eh! Ah, just so. Well, now, how old should you take me to be?" "Judging by your appearance, sir," replied the witness, "I should take you to be about sixty; by your questions I should suppose you were about sixteen."

What Others Say.

(Herald, St. Joseph, M., 15, 1877.)

The "White" Shuttle Sewing Machine is the first instrument seen in Floral Hall on entering from the cars. They are fast becoming the favorite in this section. For heavy sewing they have no rival; the arm giving space enough for the heaviest goods to pass under, while in fine work they do their work with a rapidity and noiselessness perfectly astonishing. We find here seven different styles of Machines—varying only in the finish; all are equally good and, we believe, as near perfection as the much improved sewing machine can be. These peerless Machines can be bought at prices ranging from $20 to $60. Those in search of a cheap, durable and perfect Machine can do better than to examine and purchase these Machines.

(Landmark, Platte City, Mo., September 8, 1877.)

H. Whiteley, General Manager of the "White" Shuttle Sewing Machine is on the Fair Grounds, and making a very fine display of the different varieties of his Machine. Mr Whiteley has met with unprecedented success in our country and section, and we have yet to hear a word of dissatisfaction expressed in regard to what he claims for the "White." In fact many for our citizens are exchanging other and standard Machines for the "White," feeling satisfied that it is the best as well as the cheapest. Owing to the unprecedented number of orders coming in, Mr. Whiteley has been compelled to appoint an extra agent for this county, and no machine agent will come in competition with the "White"—In fact, this Machine is carrying by storm everything in the shape of a Sewing Machine that comes in contact with it.

If you want to examine or buy one of these machines call on or address,

A. W. COALE, Craig, Mo. or *B. Whiteley, St. Joseph.*
