FIGURES OF TRADE

NEW YORK, Sept. 27.—Money on call loaned easy at 1 to 2 per cent. The closing rate was 1 per cent.

Exchange closed steady; posted rates, 486½ to 486¾; actual rates, 486¼ to 486½ for sixty days and 488 to 487 for demand.

Governments steady; currency, 4s, 117 bid; 4's coupon, 124½ bid; extended 2s registered 100 bid. Pacific railway bonds closed: Union first's, 108½ bid; sinking funds, 107½; Centrals, 105 bid.

Stocks were again dull this morning, only 106,256 shares changing hands. Prices, however, were firm for most of the list and under the lead of Colorado coal, Missouri Pacific, Reading and New England advanced with very little interruption until noon, when they were ½ to 1½ per cent higher. Northern Pacific was an exception. In the early dealings there was hardly any business in the stock, but after 11 o'clock the bears hammered it vigorously and its price fell 1½ per cent to 60½ by noon. A few of the others weakened in sympathy, but the advanced leaders mentioned was fully maintained. Trading continued dull throughout the last half of the day and prices were weaker. The announcement of the withdrawal of the Missouri Pacific from the Western Traffic association passed unnoticed and apparently had no influence on values. The closing prices as a rule were ½ to 2 per cent lower. The sales for the day amounted to 247,306 shares.

Chicago Grain.

CHICAGO, Sept. 27.—Wheat opened with a little show of strength this morning and during the first hour prices were a shade higher, but the strength did not hold and there was a gradual advance and the feeling was easy. The receipts in the northwest were again large, 1,027 cars against 953 cars for the same day last year, and the amount received at the primary points footed up to 1,875,000 bushels against 1,448,000 bushels a year ago. Liberal world's shipments last week and the immense movement from Russia with considerable short resulted in the weakness above noted. Two more cases of cholera at quarantine in New York were used to depress the market during the week spell. The closing cables came very strong and New York reported a heavy export business in progress, part of it for Germany, as fifty boat loads were taken up to 2 o'clock. Corn opened weak. The weakness was due to the diminishing prospect of any serious damage to the crops from frost and to the heavy local receipts and large proportion of the latter grade No. 2. Other products were not advanced in sympathy with the wheat pit, but some declines. Prime pork, 5 to 10c in price. Lard closed unchanged for October and 7½c lower for January. Closing prices:

Wheat—September, 74½c; October, 74¾c; December, 77½c; May, 82½c.
