$400,000.—CITY OF LOUISVILLE (Ky.) WATER WORKS BONDS.—The subscribers offer for sale $400,000 of the Six Per Cent Bonds of the City of Louisville (Kentucky), issued for Construction of Water Works; maturing May 1, 1867; principal and interest payable in the City of New-York. The Bonds are secured by (besides the faith of the City) the pledge of the Stock of the Water Company and an irrepealable tax of ten cents on each $100 of all the real and personal estate of the city. The charter confers on the city full power to contract debt and issue bonds.

The present debt of the city is	$8,501,000 00
With assets, consisting of real estate, stocks, &c., of	4,015,793 00
The assessed value of the taxable property of the city for 1857 amounted to	35,621,561 00

More than one-half of the present city indebtedness is contingent on the several Railroads and the Gas Company, to which $1,325,000 of the Bonds are loaned, are bound to provide for the principal and interest—the dividends of the Gas Stock having already retired $40,000 of the original issue to that Company. The Louisville and Frankfort Railroad Company has retired $170,000 of the issue to it, with a large sinking fund applicable to the balance. The Lebanon Branch Road has mortgaged its property to secure its covenant to retire the Bonds and the ability of the other Companys to fulfill their contracts is not questioned. The population of the city is 70,000. Copies of the charter of the city, the ordinance under which the Bonds are issued, the deed of trust of the Water Company's Stock to Commissioners of the Sinking Fund, and all other information concerning the Bonds, may be had on application to CLARK, DODGE & Co., No. 51 Wall-st.

SPECIAL NOTICE.—HOME INSURANCE COMPANY—Capital $500,000; Surplus, over $250,000.—Office Nos. 112 and 114 Broadway.—The officers of this Company take satisfaction in announcing to its patrons and the business community generally, that the principle for which they have always contended has been conceded by their associate underwriters of this city, and that merchants and others requiring insurance need be assessed no longer to support the unnecessary system of brokerage in Fire Insurance. The system they have always considered as an evil, and have acted accordingly, maintaining that if the existing rates of premium would warrant the companies in allowing a return of a portion of the same as a commission to a broker, the INSURED were entitled to such reduction. Special notice is, therefore, now given that this Company is prepared to return to the assured direct FIVE per cent of the amount of premium on all policies issued at the current rates on property in the cities of New-York, Brooklyn, Jersey City and Hoboken. CHAS. J. MARTIN, President.
