FIGURES OF TRADE

NEW YORK, Sept. 28.—Money closed at 3 per cent. The ruling rates were 3 to 5; the closing rates 3.

Exchange closed steady; posted rates, 486½ to 488; actual rates, 486¼ to 486½ for sixty days and 487 to 487¼ for demand.

Governments steady; currency, 4s, 107 bid; 4½s coupon, 112½ bid; extended 2s registered, 99 bid. Pacific railway bonds closed: Union firsts, 108½ bid; sinking funds, 103½; Centrals, 102 bid.

Stocks were very dull this morning, only 92,000 shares having been sold up to noon. Of this small amount the greater part was made up in transactions in Missouri Pacific, Reading, New England and whisky trust. At the opening and during the first half hour prices were weak and declined ½@1½, but from 11:30 until noon values steadily hardened and the decline was recovered in most cases. The market was a little more active during the afternoon, but the increase in trading was very slight. Prices were weak and irregular and most of the list closed ½ to 1 per cent lower. Reading was weak and pressed for sale on unfavorable reports concerning the forthcoming monthly statement, together with menaces of forthcoming litigation in New York and Illinois. It was also said that there was a dispute among insiders as to whether the price of coal should be advanced tomorrow or not. Missouri Pacific was hammered by the room traders and Burlington was sold to a considerable extent on the ground that its net earnings for August were smaller than expected. The Norfolk and Western directors today declared a script dividend of 1 per cent preferred for the current six months. The sales of stocks for the day amounted to 92,000 shares.

Chicago Grain.

CHICAGO, Sept. 28.—The trading in wheat was light today. The market opened strong but eased off on some realizing report of heavy demands from the new board, but heavy selling by brokers who were thought to be acting for bloom filled the buyers up and left the market in a weak condition, which caused a break of ½ from the top figures of the day. The close was at the bottom price, corn was without feature. The weather is all that could be desired, and the fluctuations in corn were mostly in sympathy with wheat. The same is true of oats. Provisions were strong, active and much higher. Pork was especially in good demand and closed near the top figures. Ribs and lard were less active, but prices held steady.
