FIGURES OF TRADE

NEW YORK, Oct. 6.—Money loaned easy at 4 to 5 per cent. The closing rate was 4½ per cent.

Exchange closed steady; posted rates 486 to 487; actual rates, 485 to 485½ for sixty days and 488½ to 489 for demand.

Governments steady; currency, 6s, 107 bid; 4's, 124½ bid; extended 2s, 100 bid. Pacific railway bonds closed as follows: Union first's, 109½ bid; sinking funds, 102¾; Centrals, 108 bid.

Stocks were less active this morning than during the same hours of yesterday. The sales amounted to 186,724 shares, and was chiefly made up of transactions in New England, whiskey trusts, general electric, Rich. Reading, Chicago gas, Union Pacific and St. Paul & Duluth. The tone of speculation was firm and prices advanced with very little interruption up to noon, when the figures were from ½ to 1¾ per cent higher. New England was weak in the early dealings, but toward the first call strengthened with the remainder of the market and took the lead. Advances were generally ½ to 1¾ per cent higher than yesterday. The afternoon's trading showed no increase over that of the morning, while the market was irregular and weak, owing to frequent realizations. New England was especially pressed for sale near the close and lost nearly all of its opening advance. Nearly the whole list closed ½ to 1¾ per cent lower. The notable exceptions were Chicago gas, Hocking Valley, general electric and St. Paul & Duluth, all of which closed 1½ to 2¾ per cent higher. Total sales, 203,774 shares.

Chicago Grain.

CHICAGO, Oct. 6.—Wheat quiet but firm, and closed ⅝ to ⅞c higher. The market was helped by the complaints of dry weather over the whole winter wheat country. The advances were numerous from all the wheat states saying that the dry weather is getting serious for the germination of the fall crop. The Price current summary says some reduction in area of fall seeding is probable because of the drouth. New York cleared 239,000 bushels of wheat and 36,000 barrels of flour, with fair clearances at other ports. Corn was inclined to weakness, influenced by the fine weather and the more liberal receipts, but price changes at the close were slight. There was little encouragement in the foreign advices. Oats were dull and uninteresting and at the close showed little or no change in price. The provision market, with the exception of October ribs, which closed 12½c lower, was again manipulated in the interest of those who have been in control of the lard and ribs deals and have lately turned their attention to pork. The gains for the day amounted to 22½c to 37½c for pork, 5c to 10c for lard and 17½c to 20c for the late deliveries of ribs. Closing prices:

Wheat—October, 74c; December, 76¾c; May 82¾c.

Corn—October, 46½c; November, 44¾; December, 44½c; May, 46c.

If you cannot take an agency yourself, but would like to secure a complete set of this great work free for your own personal use, send us a letter or a postal card and we will tell you how to obtain one.
