SEVEN PRIZES TO-DAY.

Find the 26 Capital Letters and Work Out the Proverb.

The proverb published in last Sunday's Times want proverb contest was "Honesty is the best policy." The names of the winners and others sending the correct answer will be found in another column.

The proverb in to-day's contest is composed of twenty-six capital letters, and will be found in the middle of words scattered through the want columns of both pages. These capital letters haven't any value whatever to the words—as, for instance, the letter "A" in the word "bargains," viz: "barAgains."

All answers should be addressed to the "Proverb Contest," Times office (write name and address plainly), and should reach this office not later than Friday at noon, when they will be placed (unopened) face downwards and thoroughly mixed. The first seven correct answers drawn will be awarded the seven prizes in the order drawn, viz: First, $2 order; second, $1 order; third, fourth, fifth, sixth and seventh, fifty cent order each. These orders issued by The Times Company will be as good as cash with any merchant, firm or individual using the Sunday Times advertising or want columns, for merchandise, repair work, etc., etc. The orders can also be used in payment of subscriptions to The Times.

All orders, when presented at The Times office by the advertisers, will be redeemed in cash for full face value of the order. The Times has appointed a special representative for the convenience of its readers living out of the city to make purchases, have repair work done, etc., etc., for them.
