CLARK, GREGORY & CO.,

SOLE PROPRIETORS,

CURES

Headache, Earache, Toothache, in three minutes: Rheumatism, Coughs, Neuralgia, Colds, Erysipelas, Bronchitis Dyspepsia, Colic Cramps, Inflammation, Chronic Sore Throat, Sore Throat, Cuts, Burns, Bruises, Sprains, Chapped Hands, Piles Ulcers, Diarrhoea, Bunions, Corns, Frosted Feet, Deafness, Old Sores, Sore Breast, Sore Nipples, Scald Head, Ringworm, Tetter, Salt Rheum, Spider Stings, Dog Bites, Bat Bites. The world is challenged to be equal for Scalds and Burns. It cures Scratches on horses, Sore Eyes on horses, Sprain, Swinney, Poll Evil, Fistula, and all and harness Galls, fresh Wounds or Swellings and is the best known remedy to apply to tender footed horses from founder—take up the feet and bathe well about the fog of the foot. Cures all cutaneous diseases on man or beast.

No one remedy can cure in all cases, but we can show more real proof of the virtue of AMBROSIAL OIL in its healing properties, from responsible men, who are above being bought, than can be produced for any other medicine.

We do not assert a cure for every malady to which the human family are subject, but what we proclaim we can substantiate by living witnesses. THE AMBROSIAL OILS is a Nashville preparation and sold throughout the South and Southwest by all good druggists and general dealers. The South may be justly proud that Dr. Clark, a native Tennessean, after much labor and research, has produced a really worthy medicine, which is bound to drive out much of the worthless, imported trash with which the country is flooded.

Please call at our office, where we will take pleasure in showing letters and testimonials two numerous to set forth in the form of an advertisement, some of which come from Physicians in high standing, who are using it in their practice, as they state, with marvelous effects.

We challenge the world to produce a remedy so speedy and effective in its healing properties.

☞ Read the evidence of the virtue of Clark & Fuller's Ambrosial Oil, evidence so authentic, and from persons whose word and standing are irreproachable. Read and be convinced.

PHOTOGRAPHIC CARD.

I TAKE pleasure in announcing to my old friends and customers that after an absence of two years, I have again returned to resume the practice of the Photographic Art in all its branches, having purchased the interest of my brother in the old established Gallery in Union Street, and having spent four months in New York the past Summer to obtain fully all the late improvements in the art. I have painted, renovated and enlarged the suite of Rooms throughout. That my facilities are now better to produce first class work than most Galleries can boast of, and conduce to the comfort of our patrons. I trust not only to sustain the proud position the Gallery has heretofore sustained, but to elevate it to a still higher standard. I have also engaged the services of Mr. COOK, one of the best Photographers in the world, who took the Pictures which obtained the first premium at the World's Fair in London, in 1851, and I am determined not only to make this the leading Gallery in I State, but my work shall not be surpassed North or South and I am introduce to the public the following new styles:

Imperial Photograph, India Ink;
Vignette, plain or colored;
Ivory type, colored;
Pastel Pictures, life size;
Photographs on Canvass, life size;
Visiting cards, full length, plain;
Autograph Photographs, 18 taken at one sitting.
Stereoscopes, on glass or paper.

I continue to make the Melainotype and Ambrotype as heretofore. The above styles are all entirely new in this city, except the Autograph Card, which was only made one at a time. All who are in want of anything in my line are politely invited to give me a call before visiting elsewhere, when I will prove by occular demonstration the above facts. Respectfully,

oct31-tf F. W. HUGHES.

GOLD MEDAL PIANOS!

ANOTHER TRIBUTE TO THE SUPERIORITY

OF

Wm. Knabe & Co Piano Fortes.

WE are pleased to learn that at the great "World's Fair," held this month in the city of Macon, Georgia, the competing Baltimore Firm, Wm. Knabe & Co., were awarded the *First Premium* over all competition, for their celebrated Grand Piano. This Fair was being held under the direction of the Southern Cotton Planters' Association, a large and influential body of men, the importance attached to receiving the honors of their Fair, produced, as we learn, an unusual degree of competition on the part of many of the Piano Forte Manufacturers of the country. Several very fine Instruments were on exhibition; but after a most patient and thorough examination of their respective merits, the judges unanimously decided that the one from the Manufactory of Wm. Knabe & Co. was the "Ne plus ultra," and awarded the Medal accordingly.

Without wishing to appear invidious, we will add that the enterprise, public spirit and untiring energy with which the Messrs. Knabe conduct their business, entitle them in an eminent degree to all the honors and success which they have achieved in their line. Lavish in the expenditure of time and money to Produce a *First Quality Piano*, and advertising extensively to make their establishment known, they have their reward in the possession of a large and constantly increasing business, and the further gratification of knowing that whenever and wherever competition is invited, their superiority and uniformity pronounce their Pianos to be "Excellent."—Baltimore Sun, of December 22d, 1860.

☞ A supply of the above is now being received by A. H. McClure, 33 Union street, the sale agent for Middle Tennessee, who will sell at our factory prices.
