FIGURES OF TRADE

NEW YORK, Oct. 8.—Money on call loaned easy at 4 to 5 per cent. At the close loans were offered freely at 3 per cent.

Exchange steady; posted rates 486¼ @488; actual rates, 486, for sixty days and 488¾ for demand.

Governments steady; currency, 4s, 117 bid; 4s, 114¾ bid; extended 2s, registered, 100¾ bid. Pacific railway bonds closed as follows: Union 1sts, 109¼ bid; sinking funds, 102¼; Centrals 106 bid.

Stocks were extremely dull this morning, dealings for the most part being confined to New England and the trust stocks. The market was weak, however, under a general tendency on the part of speculators to realize. Prices steadily sagged from the opening and after 11 o'clock, on the appearance of the bank statement, which was unfavorable, there was considerable selling. The lowest prices were for most at the close. The decline ranged from ¼ to 1½ per cent.

Chicago Grain.

CHICAGO, Oct. 8.—There was not much activity in the wheat market today. The general feeling was easier, and prices at the close were ⅛ to ¾c lower. Cables were steady to firm, and the weather conditions were unchanged, with little indications of rain anywhere. Receipts at primary points were generous, the northwest alone receiving 1,100 cars, while the export business was rather light. Holders were generally inclined to sell, while the demands showed a marked falling off, and the result was an easier tone. Corn was quiet and steady. There was little of interest in the trade and little to influence values. The receipts fell fully 100 cars below the estimate and helped to prevent another material decline. Closing prices were ⅛ to ¼c lower. Oats were slow and steady. There was hardly any business except in January and not much in that. Closing prices showed no change from last night. The provision market was easier for all the speculative commodities. Armour's brokers sold January pork and ribs and this helped to encourage the sellers to take the same side of the market. The business was almost entirely confined to the January deliveries, which closed 12½c lower for pork, 5c lower for lard, and 2½c lower for ribs. October ribs closed nominally worth $10, a decline from last night's price of 10c, and October lard at the close showed a loss of 5c. Closing prices:

Wheat—October, 74½c; December, 76¾c; May, 80½c.

Corn—October, 45½c; November, 44¾; December, 41½c; May, 46c.
