FIGURES OF TRADE

NEW YORK, Oct. 25.—Wall street closing: Money on call was stringent today, loaning at 6 and 7 per cent. The closing rate was 6 per cent.

Exchange closed steady; posted rates, 484 to 486; actual rates, 483 to 483½ for sixty days and 486½ to 487 for demand.

Government securities steady; currency, 4s, 107½ bid; extended 2s, registered, 100½ bid; 4s, coupon, 112½ bid. Pacific railway bonds closed as follows: Union first's, 109½ bid; Union sinking funds, 103 bid; Central 1st's, 110 bid.

Trading on the stock exchange was again active this morning. The sales to noon amounted to 70,000 shares. Most of the trade, however, was confined to about half a dozen speculatives: New England, Louisville, New Albany and Chicago, National Starch and Reading. Prices were unsettled and irregular for most of the list, but the changes were very slight. The shares named, however, were firm during the greater part of the day. The bears were somewhat active during the forenoon, and prices were weaker and the majority of the list closed ½ to 2 per cent lower. There were frequent intervals of selling of New England. The directors of that road held their regular monthly meeting today. There was not the slightest intimation or indication of any pending deal, and one of the directors emphatically denied the report that such a thing was contemplated as a short, jobbing rumor. Only routine business he said, was transacted. The sales for the day of all stocks aggregated 402,000 shares.

Chicago Grain.

CHICAGO, Oct. 25.—Wheat was rather slow and easier today, closing ⅛ to ¼c lower. Cables brought in encouraging news and domestic markets were all lower. The receipts continue light at all points and the clearing weather was taken to indicate that there would be a continuance of the movement, at least for the present. The amount of wheat and flour on ocean passage showed an increase last week of 2,320,000 bushels, and a cable from London said that at the present rate of imports into the United Kingdom, the supply for the year would exceed the requirements by 36,000,000 bushels. One of the most discouraging features, apart from the big receipts, was the light demand and comparative cheapness of light demand and comparative cheapness of the lower grades. The cool, clear weather in the corn belt was the cause of some weakness in the market for that article, but there was the main effect as well of the depression in wheat. Trading was only of moderate activity. When wheat steadied itself near the close, the corn market was allowed to express an independent opinion and it gave an unmistakable adhesion to the bull side, quickly gaining much of its early loss. November closed ⅛c lower, but May's final quotation was ⅛c higher than last night. The trade in oats was light and largely of a scalping nature. Closing prices were ¼c higher. The provision market rules very irregular, but in the main strong. Lard and ribs were weak for the nearby months, but strong for January delivery. Pork gained 15 to 20c. Lard closed 12½c lower for October, 2½c lower for November and 5c higher for January.

Closing prices:

Wheat—October, 71¾c; December, 73¾@¾c; May, 79⅞@⅞c.

Corn—October, 41⅞c; November, 42½c; December, 42c; May, 45⅛c.

Oats—October, 26½c; November, 26½c; December, 26½c; May, 31⅛c.

Short Ribs—October, $6.30; November, $7.04; January, $6.30½.

Chicago Live Stock.

CHICAGO UNION STOCK YARDS, Oct. 25.—There was not much activity in the cattle trade, but former prices were generally sustained in fact good to prime grades were strong. The hog market was weak with prices easily 10 to 15 cents lower than on Monday. Continued light receipts of sheep and lambs prevented any tendency to weaken in those markets.

DRUNKENNESS

Or the Liquor Habit Positively Cured by administering Dr. Haines' Golden Specific.

It can be given in a cup of coffee or tea, or in food, without the knowledge of the patient. It is absolutely harmless, and will effect a permanent and speedy cure whether the patient is a moderate drinker or an alcoholic wreck. It has been given in thousands of cases, and in every instance a perfect cure has followed. It never fails. The system once impregnated with the Specific, it becomes an utter impossibility for the liquor appetite to exist.

Dwight Lyman Moody writes: "Prov'ce, Chatham, Ontario, Dear Sirs: I feel I am doing a Christian work when I recommend your Golden Specific. Yours truly, D. L. Moody."

A DYSPEPTIC'S ARGUMENT

Is a growl, and that growl marks the limit of argument with him. The best way to get him to try a medicine would be to advise against it—but notice how different his tone after using Burdock Blood Bitters.

"I have suffered with dyspepsia for the last two years. Not long ago I commenced taking B. B. B. I am now on the second bottle, and I feel like a new man.

G. KNOX,
12 Sherwood Ave.,
Binghamton, N. Y."

REPEATED TRIALS WITH UNIFORM SUCCESS prove the fact that Burdock Blood Bitters will cure dyspepsia. The reason is plain, it tones the stomach to natural action and keeps the sluice ways of the system free from clogging impurities.

"I have been troubled with dyspepsia and heart disease for nine years, and found no relief until I tried Burdock Blood Bitters. Now I am well after taking two bottles.

Bowne, Mich."
