FOR INVESTMENT.—We offer FOR SALE $250,000 of the TEN PER CENT SEMI-ANNUAL COUPON BONDS of the CITY ON DUBUQUE, Iowa. Said Bonds are issued pursuant to provisions of "The Code of Iowa," the acts of the Legislature, and under the City Charter and resolution of the Common Council of the City of Dubuque. Every possible precaution has been taken to render the Bonds valid and to insure the punctual payment of both interest and principal. Apart from the strict conformity to the statutes and Code of Iowa, the City Charter, and the special vote of the people, there are private contracts of the very strongest character entered into by the City of Dubuque, which would make it a very simple process to enforce the payment of these Bonds, by immediately levying upon the public or private property in the city in case of default. The contracts and the issue of Bonds have been carefully examined by Wm. M. Evarts, esq., Thaddeus H. Lane, esq., and Messrs. Choate & Barnes, and pronounced legal and binding in the very strongest manner. These Bonds compare favorably with Bank Stock, Insurance and Railroad Stocks as an investment, and are not excelled by any as a safe security. The Bonds offered consist of 125 of $1,000 each and 250 of $500 each. Pamphlets, with particulars as regards the finances of Dubuque, and the abundant means for promptly paying the interest and principal of the indebtedness of the city, can be had on application to us by mail or otherwise.
