FIGURES OF TRADE

NEW YORK, Nov. 4.—Money on local loaned at 1 to 2 percent. The closing rate was 5 per cent; lowest, 1 per cent.

Exchange closed steady; posted rates, 484 to 487½; actual rates, 483 to 483 for sixty days and 486½ to 487 for demand.

Governments steady; 2's currency, 96, 97½ bid; extended 2s, registered, 100 bid; 4's, coupons, 114½ to 115; Pacific railway bonds closed as follows: Union first's, 107 bid; sinking funds, 112½ bid; Centrals 105½ bid.

The stock market was a little higher and more active this morning, but not in a single instance was the trading heavy. Speculation centering chiefly in New England, whisky trust, Chicago gas, sugar trust and Toledo, Ann Arbor & North Michigan. Chicago gas was about the only stocks that displayed any strength of moment. Chicago gas was 1 per cent higher. The sales for the morning amounted to 74,154 shares. There was a little more trading after 12 o'clock and up to 1 o'clock dealings were quite active. There was evidence of manipulation in some of the leaders at times, notably whisky trust and Chicago gas. The latter was quite heavily bought by some commission houses, however, and it closed 2 per cent higher. Nashville and Chattanooga closed 1½ per cent higher. Chicago & Alton closed 4 per cent higher. The remainder of the stocks closed irregularly and slightly changed. The sales amounted to 152,179 shares.

Chicago Grain.

CHICAGO, Nov. 4.—The principal feature of the day's business in grain was excessive dullness. Commission houses had all the same despondent plaint of lack of orders. The market opened firm, but quickly weakened on the liberal receipts. There was a fair reaction on advices reporting an improved feeling in New York and Liverpool, but late Pardridge and others of the meal bear contingent put out a few short lines with the result of closing the market heavy at a decline from last night of ½ to ⅝c. In the corn market there was a tendency to follow wheat. The continued wet weather was a bullish feature. The market closed ⅛ to ¼c under last night. The oat market today was quiet and featureless, with options ruling ⅛ to ¼c easier at the close of the session. Trade was light and scattered. Hog products were all higher on smaller receipts of hogs than expected and better prices for them. The arrivals of live hogs yesterday were 11,000 lower than expected and today were 4,000 less and only 12,000 expected for tomorrow. The demand was active and seemingly quite general. Pork and lard gained ½ and 2½c.

In Olden Times

People overlooked the importance of permanently beneficial effects and were satisfied with transient action, but now that it is generally known that Syrup of Figs will permanently cure habitual constipation, well informed people will not buy other laxatives which act for a time, but finally injure the system.

Reasonable Hack Rates.

Ball & Waters are bound to lead in the hack business in this city and have just ordered four new hacks, which will arrive in the city Friday or Saturday. This will make six new hacks and fourteen all told which are being run by this firm. Ball & Waters do not propose to bleed the people of the city and make price $1.50 for funerals. This is the lowest rate for which hacks were ever offered in the city.
