FIGURES OF TRADE

New York, Nov. 17.—Money on call loaned today at 1 to 3 per cent. The highest rate was 5 per cent.

Exchange closed steady but quiet: posted rates, 486½ to 488; actual rates, 485½ for sixty days and 487 for demand.

Governments steady; currency, 4s, 107½ bid; extended 2s, registered, 100¼ bid; 4's, coupons, 114½ bid. Pacific railway bonds closed as follows: Union first's, 107 bid; sinking funds, 106 bid; Centrals 106 bid.

Trading on the stock exchange this morning was less active than the corresponding hours of yesterday. The sales to noon aggregated only 71,000 shares. Of late small lots the main for part was made up of transactions in Reading, Northern Pacific preferred, Atchison, Louisville, New Albany and Chicago, Wabash preferred, St. Louis and Southwestern and Ohio Southern. The latter was exceptionally strong and advanced 2 per cent. The remainder of the list was firm throughout, and at noon was generally ½ to ¾ per cent higher than the closing of yesterday. The stock market was a little more active in the last half of the day, but prices were weaker under an attack by the bears. The features of the day was Ohio Southern. The stock was unusually active and very strong.

The directors of the road voted on Saturday to extend the line No. 50 to Lima, O., getting rights-of-way and such aid that the cost of the extension will be very small. The general market however, closed weak at about the bottom figures. The decline ranged from ¼ to 1¾ per cent. The sales for the day amounted to 296,610 shares.

Chicago Grain.

Chicago, Nov. 17.—There was a fair degree of activity and firmness in the wheat market today, but the gain at the close was slight, showing no change, and May closing ⅛c higher. The strength in the market was borrowed of the steady cables and the expectation that the movement of wheat was about over, together with the heavy exports and rainy weather. The Cincinnati Price Current comments were bullish in consideration that the visible supply had about reached its maximum and that farmers' deliveries were falling up. There was a market in corn. The best figures were made at the opening. The exports were fairly good at 122,000 bushels, but the larger estimate of 230 cars for the month balanced this. Closing prices were ¼ to ⅜c lower. Oats weakened under heavy selling. Closing prices ⅛c lower. The market for provisions was active, strong and higher. The packing in the west for the week, according to the Cincinnati Price Current, is 300,000 hogs short of that for the similar week of last year. January pork closed at $14, an advance of 32½c since yesterday. January lard is up 17½c and ribs for the same delivery are 10c higher.
