FIGURES OF TRADE

NEW YORK, Nov. 28.—Money on call loaned at comparatively easy rate today, ranging from 1 to 2 per cent. The closing and lowest rate was 1½ per cent.

Exchange quiet and firm; posted rates, 486 to 488; actual rates, 485¾ to 485 for sixty days and 487½ to 487¾ for demand.

Governments steady; currency, 6s, 107¼ bid; extended 3s, registered, 100¼ bid; 4s, coupon, 112¼ bid. Pacific railway bonds closed as follows: Union firsts, 113¼ bid; sinking funds, 108 bid; centrals 108 bid.

The dealings on the stock exchange this morning were on a limited scale. Dealings were confined chiefly to whisky trust, sugar trust, General Electric, Reading, New England and Missouri Pacific. The trust stocks were firm as a rule and advanced ½ to 1 per cent for the morning. The most strength was displayed by sugar. Indications were not lacking that a strong pool had been formed to advance the industrials and the strength of those speculatives today was attributed to the manipulations of insiders. There was less talk than usual today about the gold exports score, chiefly because this week's shipments, should there be any, will be withheld for Saturday's Havre steamer. The sterling market itself, though, remains unchanged. It has been decided by the finance committee of the Erie railway not to pay any dividend on the preferred stock this term. The market at the close was dull and prices for the most part was not materially changed in the closing prices of Saturday. The sales for the day amounted to 248,825 shares.

Chicago Grain.

CHICAGO, Nov. 28.—While the bulk of news today seemed anything but bullish, yet the feeling in the market was generally strong and prices advanced a trifle higher. The receipts in the northwest were heavy, 1,799 cars against 1,739 for the corresponding last year, and cables were easier. The firmness seemed to be due to the sharp advance in the provision market and to reports most industriously circulated that Cudahy Wright, and other provision operators, had turned to the bullish side of wheat and were heavy buyers. Mitchell, Sevrans and several large commission houses also had generous buying orders and as there was no general disposition to sell, firmness was the rule. Closing prices were ⅛@⅛ higher. Corn was more active, strong and higher. There was not much for sale and as shorts were nervous and disposed to cover, sellers had the advantage. Closing prices were ⅛@⅛ higher. Oats ruled strong, influenced largely, if not wholly, by the strength in corn. Closing prices were ⅛@⅛ higher. Hog products were buoyant. The receipts of hogs were about as expected and prices at the yards only a trifle higher, but Wright, Cudahy and other large operators, were building the market and shorts got thoroughly frightened, while there was little product for sale. Pork gained 40c, lard 25c and ribs 20c.

Chicago Live Stock.

CHICAGO UNION STOCK YARDS, Nov. 28.—Good grades of cattle were in active demand and sold strong. Such sorts as go to local butchers and canners remained dull at former prices. Receipts were large and consisted for the most part of common to fair grades. People overlooked the importance of permanently beneficial effects and were satisfied with transient action, but now that it is generally known that Syrup of Figs will permanently cure habitual constipation, well informed people will not buy other laxatives which act for a time, but finally injure the system.
