To Whom it may Concern.

A SAD CASE DESERVING SYMPATHY.—On Friday, the 1st inst., the barn of Mr. Henry Wardell, a respectable, industrious citizen of Long Branch, N. J., was accidentally set almost by fire, containing a quantity of hay, a valuable horse, several wagons, harness, a new fishing boat, and other property which, to him, unless aided by public sympathy, will prove a severe and heavy loss, having no insurance and being his only means of supporting a large family. Any contributions for the above object left at NATHANIEL HILLYER'S, No. 162 Fulton-st., will be thankfully received and faithfully applied.

CAUTION to DEALERS in ELASTIC FABRICS containing THREADS or SHEETS of VULCANIZED RUBBER.—The undersigned gives notice that he holds an absolute conveyance from Charles Goodyear of the exclusive right to use Vulcanized Rubber prepared according to said Goodyear's patent of June 15, 1844, in all elastic fabrics the elasticity of which is due to the shirring or corrugating the sheets or threads of such fabrics, and in all woven, braided, cemented or sewed fabrics, or such as are or can be covered or protected on one or both sides with substances other than rubber, and in all smooth, elastic shirred goods; and also to make and sell India rubber threads of vulcanized rubber, and all threads or sheets of rubber which are or can be made or finished by union with or to be covered by fibrous substances. And he hereby gives notice that he is ready to supply the trade with such fabrics at reasonable rates, and has a full stock now in store.
His attention has been called to an advertisement signed by William Judson, in which said Judson claims to be the owner of the right to import and sell such goods.
The undersigned is satisfied that this pretense on the part of said Judson is a fraud upon the public, and is made for the purpose of injuring his business. Said Judson has never exhibited his pretended titles to any Court, or to the public; and he does not afford the undersigned an opportunity of commencing any suit against him in order to test these titles. Charles Goodyear could not give any valid title to said Judson, or to any one else, after the titles he has conveyed to the undersigned. The question decided by Judge Ingersoll, in New-York, upon a preliminary motion and partial presentation of the case, was not decisive of the merits of the title of the undersigned, and the card published by said Judson, shows that the Court was imposed upon by a pretended title to a third party which said Judson now claims to have been in himself for the last six years.
The undersigned, therefore, cautions all dealers in articles of the above description, containing VULCANIZED RUBBER, that no such goods can be lawfully sold in this country without this license and stamp, and that he shall prosecute to the extent of the law, all persons infringing upon his said rights. Orders solicited and rights to use guaranteed by
HORACE H. DAY, No. 23 Courtlandt-st., New-York.
