1911

Planters Bank Day

How Much Money Did You Save in 1910?

How Much Money Did You Spend Foolishly in 1910?

Your intentions may be good, but you will never realize the fullest measure of success if your method of saving is hap-hazard.

Begin the New Year with this resolution that you will save something each month by depositing a specified amount in the **Savings Department** of the Planters National Bank.

Select a day in each month from this calendar and name it the **"Planters Bank Day."** On this day bring your deposit in person if possible, if not, mail it. Do not feel a hesitancy because you cannot deposit a large amount. The person who deposits One Dollar in the Planters National Bank is accorded the same courtesy and consideration as the one who deposits thousands. Select your "Planters Day" and watch your account grow.

3% Compound Interest Paid on Savings Accounts.

Write for booklet "How to Bank by Mail."
