FIGURES OF TRADE

New York, Feb. 11.—Money on call loaned at 2, ruling closed at 2. Government bonds dull and steady.

Trading in stocks today was on a very moderate scale, and even more than usual of late was of a professional nature. The bears were inclined to take the bull side of the situation, issue of bonds by the secretary of the treasury, and the rumor that decided action was to be taken to relate the situation also in the opening of the market strong, with some help from foreign buying orders and British advices from London. There was a good deal of talk about a reported cut in oil prices, and Reading was made active at declining prices, but it did not appear that decided action in the line of importance would come to pass at this time. The numerous rumors were of a decidedly unfavorable nature, but had no effect were set down for dividends in the near future, the latter responding to this talk, but lead retired over 1 per cent, while distillers proved about the same amount in sympathetic relation. Sales were made all along the line, and distillers close 1% per cent from its lowest figure, closing with a net gain of 1% per cent. The market closed quiet and firm at the rally. Sales of listed stock today aggregated 150,000 shares, and of unlisted 35,000.

Mr. Albert Favorite, of Arkansas City, Kan., wishes to give our readers the benefit of his experience with colds. He says: "I contracted a cold early last spring that settled on my lungs, and had hardly recovered from it when I caught another that hung on all summer and left me with a hacking cough which I thought I never would get rid of. I had used Chamberlain's Cough Remedy some fourteen years ago with much success, and concluded to try it again. When I had got through with one bottle my cough had left me, and I have not suffered with a cough or cold since. I have recommended it to others, and all speak well of it." 50 cent bottles for sale by F. J. Wurzburg, Druggist, 54 Monroe street.
