FIGURES OF TRADE

New York, Feb. 19.—Money on call easy, with all loans at 1 per cent; closing offered at 1 per cent.

Prime mercantile paper in abundant supply, but the inquiry at banks is slight and moderate. Sterling, sixty days, 4 to 4 day indorsed by prime, the renewable are 5 per cent.

Posted rates, [illegible].

Government bonds dull and steady. In the two hours of business at the stock exchange [illegible] changed hands. But of this amount over [illegible] were fives of 1904, leaving only [illegible] for the entire remainder of the list. The Reading issues, however, was resumed in full force this morning, and the volume of business for the first hour was entirely unprecedented, while the drop from 6 to 10½ was accomplished in about ten minutes. The Reading at its worst was followed from this, to Burlington at one time showed a gain and general electric ½ but both closed practically unchanged. Manhattan rose in the early dealings, closing only 1 per cent higher. The sales of listed stocks today aggregated [illegible] shares, and of unlisted stock [illegible] shares.

Chicago Grain.

Chicago, Feb. 18.—It was a weak day in wheat. Everything seemed to be against the price. Crops were weak. Domestic markets were all lower. There was less talk of damage talk, and many who were sending in positive statements of damage a few days ago now qualify that judgment may be saying that wide damage is probable, the question is still in doubt. The weather all over the west and southwest is mild, and the recent snowfall has given the wheat plants a chance against the trying weather that may yet come. The exports from both coasts for the week are reported to have been [illegible] bushels less than the week previous, and the decline in all primary markets nearly [illegible]. Liquidation was a considerable feature in the visible supply last week seems certain.

GEORGE DEHAVEN,
G. P. A.

Mr. Albert Favorite, of Arkansas City, Kan., wishes to give our readers the benefit of his experience with colds. He says: "I contracted a cold early last spring that settled on my lungs, and had hardly recovered from it when I caught another that hung on all summer and left me with a racking cough which I thought I never would get rid of. I had used Chamberlain's Cough Remedy some fourteen years ago with much success, and concluded to try it again. When I had got through with one bottle my cough had left me, and I have not suffered with a cough or cold since. I have recommended it to others, and all speak well of it." 50 cent bottles for sale by F. J. Wurzburg, Druggist, 54 Monroe street.
