Custer Guard Entertains Its Numerous Friends Socially

IN HONOR OF ITS OWN BIRTH

Eleventh Annual Dancing Party Given Last Evening---The Gay Affair Enjoyed by Many Happy Guests.

Washington's birthday was celebrated for the eleventh time by the Custer guard last night. The annual dancing parties given by the Custer guard have always been looked forward to by several hundred of the youth and beauty of the city with especially delightful anticipations, and expectations were as fully gratified last night as on any previous occasion.

Custer's armory never looked gayer than last night. It is the largest in the city and its decorations of great streamers and bunting served to temper its bigness into an attractive ball room. From the ceiling hung three immense Japanese umbrellas. Huge bands of pink, blue, white and yellow were draped from these centers to the corners of the armory and to the centers on the sides. Other streamers extended across the angles of the room, breaking the sharp monotony. The railing of the gallery at the west end was festooned with red, white and blue bunting and rifles fastened at intervals along the gallery front assisted the military effect. Fancy flags in numerous variety were grouped over the gallery front and were suspended over the windows and at several other points about the hall. Below the gallery and over the entrance to the parlors were two large United States flags. Near the center on one side was a banner with the "three-leaved clover," the company's well-known emblem, worked thereon. The orchestra occupied a platform on the north side and the long stretches of wall on either side was broken by two very tall fancy portals made of bunting in long streamers and hung with banners. The orchestra platform, too, came in for its share of similar decoration.

The recent improvements in the rooms adjoining the armory provided some added conveniences for guests. The south parlor served as a dressing room for the fair sex and the newly arranged officers' room, which is now occupied by Colonel Rose, Adjutant Giddings and the commissioned company officers, made a convenient retiring room. Punch was served in the main parlor. Braun's orchestra furnished the music. Most of its members belong to the Second Regiment band and they appeared in uniform.

The scene as viewed from the gallery was a very pretty one. Most of the Custer soldiers appeared in dress uniform, as did many from other companies. Others were in the regulation state dress.

The grand march was quite an imposing affair, the military in uniform leading.

There were about ninety couples present, among them Captain Kell, of the regular army, Colonel Rose and Adjutant Giddings of the Second regiment, Messrs. and Mesdames Port Rice, Frank Coleman, Frank M. Williams, Captain Bennett, Lieutenants Yos and Storrs.

Messrs. Shattuck, McLaughlin, Bliekle, Frank H. Idema, Reuben Boer, Schultz, John Boer, Gray, Hopkins, Hydorn, Bechtel, Hardy, Bachman, Lane, McMullen, Caulfield, Freibg, Duffee, Fred Idema, Fletcher, Rooking, Seymour, Anderson, Garrison, Bowen, Rogers, Harris, Knox, Newton, Spitz, Sharp, Beute, Robertson, Powers, Zimmerman, Lemon, Plants, Wilder, Ellis, W. Mathieson, F. Mathieson, Drew, Sargeant, Sinclair, Hall, Tucker, Greenhoven, Taylor, O. Fleibg, Cleland, Bazley, Stebbins.

HE SCANS COMPLAINTS.

Judge Haggerty Wants No Poor Cases Brought in His Court.

Several orders for warrants have lately been issued by the prosecuting attorney which Judge Haggerty has hesitated to sign. Something of a controversy has arisen over the matter, and the prosecutor claims the judge has nothing to do with the case until it comes before him in court. It is declared by the judge that he has a right to investigate whether or not there is a good case before he signs a warrant. The prosecutor claims it is his duty to pass on the probability of a case, and that when he gives an order for a warrant it is the duty of the judge of police court to issue it without questioning the merits of the case.

Judge Haggerty does not like to have poor cases brought in his court and having had considerable experience with slick attorneys who are able to get criminals released on some slight defect in the testimony, he thinks he is pretty well able to judge whether or not there is a prospect of winning the case after he has examined the complaining witness.

WOMEN ARE AFTER DORAN.

Because of His Uniform Liquor License Tax Bill.

The Political Equality club unanimously adopted a resolution yesterday designed to make Senator Doran feel uncomfortable. It stated that "We protest against being represented by a man who makes it his business to represent the interests of the saloon as antagonistic to the welfare and happiness of the home." The women would not divulge the name of the introducer to the reporter for THE HERALD, who called, but it was evident that they were all of one mind.

The meeting was held at the home of Mrs. Helen Lobdell, No. 46 West Bristol way. Arrangements were made for the lecture of Mrs. Lease at Hartman's hall on Monday night. A letter was read from Mrs. Kneppe of Hay City asking the club to give an entertainment to help pay the expenses of the women who are lobbying in Lansing in the interest of the municipal equal suffrage bill.

THEIR NEW HOME.

Elegant and Rich Furnishings for Central Labor Union Hall.

Next Monday night the Central Labor union will hold its first meeting in its new and elegantly furnished hall, at No. 54 Canal street. This hall is on the third floor, 44x24½ feet in dimensions, well lighted, and admirably planned for lodge purposes. It is being supplied with new furniture throughout and will be ready for the meeting Monday night. The floor is covered with a body Brussell's carpet of high colors, the walls have been decorated with richly tinted paper, and is one of the pleasantest rooms of the kind in the city. It bears a marked contrast to the old quarters that are about to be vacated. The furniture will consist of two nicely finished secretary's desks, a large revolving chair for the president, a table for the press committee and chairs for the members. On the walls will be suspended the charters of the following unions:

Barbers' union, Molders' union, Stonecutters', Holland Furniture Workers', Cabinet-makers' union, Machine Wood Workers', Cigarmakers', Beer Brewers', Bakers', Musicians', Typographical, Pressmen's, Painters' union, Trade Council, Salesmen's union No. 18, Clerks' union No. 19, Plasterers' union, Woodturners' union, Machine Wood Carvers.

A smaller room will be furnished for unions having a small membership but connected with the Central organization. No special display will be made at the meeting Monday night, but a committee has been appointed to make preparations for a grand dedicatory celebration at some later date. The boys feel greatly elated over the extent of their successes and the prospect of having one of the nicest homes in the city has stimulated the interest in the welfare of the union.

BRANDISHED A KNIFE.

Augustus Hamilton Becomes Insane and Is Locked Up.

Augustus Hamilton of No. 54 Crawford street, became insane yesterday and started out to kill the whole human race. He is about 22 years old and has lost both his feet. After terrorizing the neighborhood in which he lives, the police were called and took him to jail for safe keeping. When arrested he had a large and keen knife, which he flourished and threatened to kill the first person who dared to touch him.

Jailed for Safe Keeping.

Gust Hamilton, a resident of the west side who lost both of his legs some time ago in a railroad accident, was taken to jail yesterday for safe keeping. He was adjudged insane a few weeks ago by the probate court and an order was issued for his admittance to the Kalamazoo asylum, but his mother thought he could be controlled by the family and he was not taken to the asylum. He became worse yesterday morning and he was locked up in jail.

Caleb Cunningham of Sparta, a young man 21 years old, was brought to jail yesterday by Deputy Sheriff Cole for safe keeping. His mind is unbalanced and he will be examined in the probate court as to his sanity.

Switchmen's Ball.

The fourth annual masquerade ball of the Switchmen's Aid association, Grand River Lodge No. 45, was held in Simmons' hall, South Division street and Fifth avenue, last night. As usual, there was a large attendance present, the majority in masquerade costume. The association will add quite a handsome sum to its treasury, besides having had an enjoyable evening and gained much credit from the management of the affair.

Will Demand 30 Cents.

The Painters and Decorators' union find that their present quarters are too small and will soon move into the Central Labor union hall. There is a movement on foot which finds much favor among the members, to demand 30 cents an hour. The present scale is 25 cents per hour and it is considered too small.

A Profitable Bargain.

A Cherry street lady spent a dime to good advantage yesterday when she bought a package of diamond dye fast black for wool. With this she revived the color of a Henrietta so that the gown now looks like new. These simple home dyes are very easy to use, and will color almost anything. Their standard shades are non fading and guaranteed not to crock.

MARY E. Lease will tell of "Land, Labor, Money" syndicates and monopolies at Hartman's, February 27. Tickets 25 cents.

Good Chance for Bargains.

On February 28 the C. & W. M. and D., L. & N. lines will sell at auction at I. R. Wilson's rooms, No. 48 Monroe street, a miscellaneous lot of articles which have accumulated during the past few years.

This includes articles left on trains, from a set of false teeth to an overcoat, and many articles of clothing. Also trunks, grips, etc., which are unclaimed by owners, and 175 umbrellas—enough to stock a store. It's a great collection and the highest bidder will take his choice. GEO. DEHAVEN,
General Passenger Agent.

We do not intend to endorse any except articles of genuine merit; we therefore take pleasure in recommending to sufferers from Piles in any form, a prompt and permanent cure. The following letters speak for themselves:

Mrs. Mary C. Tyler, of Hepper, Ore., writes: One pkg. of Pyramid Pile Cure entirely cured me of piles from which I have suffered for years, and I have never had the slightest return of them since.

Mr. E. O'Brien, Rock Bluffs, Neb., says: The pkg. of Pyramid Pile Cure entirely removed every trace of itching piles. I cannot thank you enough for it.

The Pyramid Pile Cure is a new, certain painless cure for every form of piles. It is safe, sure and cheap. Any druggist will get it for you if you ask him.

We are advised of a business change that will be of considerable local interest. The Capitol Heater Company, which, starting last year, made such a pronounced success of its first season, has acquired the heating business of the Detroit Heating & Lighting Company, and will hereafter sell the Bolton Hot Water Heater as well as their own Capitol Heater. This gives them the best wrought iron as well as the best cast iron heater on the market, and places this young company close to the head of the heating manufacturers of the United States. They announce that their business will for the present be conducted at their former premises, 15 Macomb street, Detroit, until larger quarters can be secured. The business will continue to be under the management of Messrs. Henderson and Smith, who were for years connected with the Detroit Heating & Lighting Company and left it a year ago to start the Capitol.

DR. EDISONS FAMOUS PILLS AND HANDS and OBESITY FRUIT SALT reduce your weight without dieting; cures the causes of obesity, such as dyspepsia, rheumatism, nervousness, catarrh, kidney troubles; keeps you healthy and beautifies the complexion.

CHICAGO BOARD OF TRADE.

I again write you to say I have lost 21 pounds, making 42 pounds lost in 10 weeks by using 4 bottles of Dr. Edison's Obesity Pills and wearing his Obesity Band.

Very truly yours, CHARLES H. KING.

Prof. Hale, Chicago University, writes to the Chicago Herald, Sept. 18, 1892:

Corpulent men should pay some attention to reducing their weight. When a man is troubled with rheumatism, dyspepsia, kidney trouble or nervousness the reducing of weight is slower, until the Obesity Pills have cured the disease that caused obesity. The pills soften and beautify the skin of the face.

I am at liberty to cite a case in point. Under my advice Mr. Armour used an Edison Obesity Band and 3 bottles of Pills and lost 29 pounds in 6 weeks; other patients have been equally successful.

Lieut. G. A. Scott, Revenue Cutter Hamlin, writes to the Correspondence Department of the New York Sunday World:

Three years ago I weighed 295 pounds, but after using Dr. Edison's popular Obesity Pills and Salts I reduced to 180 pounds and easily kept at that weight. I saw how much other correspondents of your valuable papers were benefited and wished to give the Dr.'s treatment a trial.

Dr. Edison's Obesity Fruit Salt is the best and simplest remedy for regulating the action of the liver that has been discovered. The printed formula on the label of the Fruit salts shows their value to the sufferers from excessive fat or flesh.
