Board and Rooms.

FIFTH-AVENUE HOTEL,
ON FIFTH-AVENUE,
At the Intersection of Broadway, opposite Madison square,
NEW-YORK,
TO BE OPENED AUGUST 23, 1859.

This Location is the most desirable of any in this great Metropolis, being the most healthy, delightful, and central in the city, and very near and convenient to the Hudson River and Boston Railroad depots.

The entire arrangements of the establishment are the result of mature study and experience, and render it the most comfortable and home-like Hotel in the world.

All the improvements that comfort and convenience have suggested, have been introduced.

Every precaution has been taken, during construction, to secure the positive safety of guests from the dangers of conflagration. Sub-division double brick walls extend from the rock foundation to the roof. All of the floors are double, and are separated by a layer of cement, making the entire structure fire-proof.

Among other important improvements, in addition to the usual stairways, a VERTICAL RAILWAY is nearly completed, to convey guests from the first to the upper floors, upon a plan which admits of no possibility of accident.

Lofty, spacious and continuous corridors, forming a promenade of eight hundred feet upon each of the six stories, give light and air in the highest degree to every apartment.

A liberal space has been appropriated to public Drawing-Rooms and Parlors, connecting which and the Dining-Rooms there is a grand Promenade Hall. Suites of spacious Parlors, Chambers and Dressing-Rooms, with all the modern conveniences, have been especially designed for the comfort of families, traveling parties and single gentlemen.

An Exchange, containing the journals of the day, and all the conveniences for commercial intercourse and business, has been added to the many other features of the Hotel, and there is a Telegraph Office connecting with all parts of the country.

Billiard and Chess Rooms, of the most approved style and appointments, are provided for the use of guests and the public.

The Furniture, and every article of use in the establishment, have been expressly designed and manufactured for the FIFTH-AVENUE HOTEL.

All communications for apartments, or upon any business connected with the house, please direct to FIFTH-AVENUE HOTEL, in order to insure immediate attention.

The entire organization of this Hotel has been under the direction of Mr. PARAN STEVENS, proprietor of the Revere and Tremont Houses in Boston, and Battle and Point Clear Houses in Mobile, and it will be conducted by

PARAN STEVENS, A. B. DARLING, HIRAM HITCHCOCK, } HITCHCOCK, DARLING & Co.
