KNOWLEDGE

Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative; effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from every objectionable substance.

Syrup of Figs is for sale by all druggists in 50c and $1 bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

ALL WISH A FORTUNE

Trunk Line Stocks Were in Great Demand.

CASH LOANED AT 15 PER CENT

The Eastern and Western Railways Were in Demand on Account of the World's Fair Business.

[Yesterday being Good Friday, the time-honored custom was observed throughout the world, and all the exchanges suspended business for the day.]

NEW YORK, March 30.—Money on call has been stringent, ranging from 15 to 2 per cent; last loan 15 per cent, and closing offered at 15 per cent.

Prime mercantile paper, 6@7 per cent.

Posted rates 487@489.

Government bonds have been strong. The course of the stock market today was a great surprise to a majority of traders. The temper of speculation was strong almost from start to finish. The volume of business showed a material increase, 286,339 shares changing hands, and the dealings were also better distributed than of late. The railroads, as well as the industrials, were conspicuous at intervals, but the strength of the former was considered by far the most important feature. The eastern and western trunk line shares improved ½ to 2¼ per cent, chiefly in consequence of the near approach of the world's fair and the expectation of an enormous railway traffic at stable rates.

CHICAGO, March 30.—The story of the wheat trade today is very tame in comparison with that of yesterday. The price for May kept within 1 cent range, and the transactions were not significant. The price dropped to 78¾c, and finally closed at 78⅝c, ⅛c lower than last night.

LOCAL MARKETS.

As was predicted yesterday, all grades of sugar were advanced 1-16. Refiners claim their stock has been oversold, and it is a difficult matter to fill new orders. Smoked meats declined ½ cent, but fresh meats remain firm. A few spring lambs were put on the market yesterday and they commanded a high figure. Corn has dropped 1 cent. Farm produce is steady and the market is quiet. There are no cranberries in the local commission houses, and apples are growing scarcer. There is a good demand for grass seeds for spring seeding, and the supply on hand in the commission houses is sufficient to fill all orders.
