ELECTION RECESS HELPS STOCKS UP

Large Orders Received Over Holiday Enhances Some Issues

New York, Nov. 9.—Large buying orders from speculative sources came into the stock market over the election day recess and prices of various popular issues, especially oils, steels and kindred shares, were substantially enhanced.

In the case of Mexican Petroleum, which dominated the market at a net gain of 7 1-8 points, the movement was mainly on technical conditions, the shorts paying heavy tolls.

Rails, steels and issues of like description drifted aimlessly for a time, but came briskly forward in the last half of the session.

Shares of concerns which may reasonably hope to benefit by increased holiday business, such as the department stores, also strengthened, but tobaccos and several of the more obscure specialties were heavy or irregular. Leaders were undeterred by the rise of call money from 5 1-2 to 6 per cent in the final hour, many closing prices being at or near the day's top levels. Sales amounted to $65,000 shares. Cables stating that Germany is preparing to meet her next reparations payment accounted for the moderate rally in marks, first in London and then here. Sterling was firm, but remittances to most of the other allied countries were moderately lower on small trading. Of the neutral countries, Danish bills were heavy and far eastern quotations continued to ease considerably and most other active bonds were irregular on further profit taking, the international group also showing no marked trend. Total sales, par value, $15,675,000.

Cotton

NEW ORLEANS, Nov. 9.—A decline of $6.50 a bale on the weakest month was the response in the cotton market today to much heavier ginning to the first of November than expected. The report by the census bureau of 6,646,136 bales, produced compared with average expectations of about 6,300,000 bales, but most of the selling was due to the fact that ginning to the first of November was so far above the total crop estimated sometime ago by the department of agriculture, whose figures were 6,537,000 bales.

The market slumped 117 to 131 points under yesterday's close to 16.62c for December.

"If I Could Only Belch Up That Gas

I Know I Would Feel Better"

How often have you felt that way? How often have you wished for something to give you genuine and lasting relief for Gas?

Don't buy any ordinary dyspepsia tablet for temporary results. Go to a first-class drug store, ask for a bottle of genuine Baalman's Gas-Tablets, take three tablets an hour before meals and again three before eating—then watch. Now comes a surprise. No more gas, no more smothered feeling, no difficult breathing, and no bloat.

Remember Baalman's Gas-Tablets are not only for the relief, but also for the prevention of Gas. Most people with Gas suffer from nervous Dyspepsia, but common Indigestion.

Baalman's Gas-Tablets are sold in the famous yellow package for one dollar.

Baalman's Gas-Tablets are for sale by Central Drug Store and all reliable druggists. J. Baalman, Chemist, San Francisco. —Advertisement.

WHEAT DISPLAYS FRESH STRENGTH

Falling Off in Receipts Shown at All Points; Close Is Strong

CHICAGO, Nov. 9.—Wheat displayed fresh strength today all points showing a falling off in receipts. The market closed strong 1⅛c to 2 1-8c net higher, with December $1.06 1-8 to $1.06 3-8, and May $1.11⅛ to $1.11 1-8c. Corn gained 1-8c to 3-4c, and oats 1-8c and 1¼c to 3-8c. Provisions were unchanged to 20c lower. It was with but little effect that bears in the wheat trade tried to explain away the evident curtailment of receipts this week might not exceed 6,000,000 bushels as against recent totals of 9,000,000 to 10,000,000. Notice that no moisture of consequence was reported from Kansas, Oklahoma or Texas, despite rain and snow elsewhere counted as an additional bullish factor.

Corn and oats sympathized a little with wheat stength, but held within narrow limits.

Firmness in provisions was only temporary toward the last quotations having a downward slant because of absence of demand.

Cotton.

NEW ORLEANS, Nov. 9.—The one influence in cotton today was heavy ginning and it cost prices 117 to 133 points, the market closing at practically the lowest of the day at 16.62c for December and 15.87 for July.

SECTION 2. That the assessments hereby levied on each of the above mentioned lots and parcels of land are hereby declared to be a lien upon such lots and parcels of land to the same extent as other taxes and shall be collected and enforced in the same manner, as other taxes in and for the City of Tulsa, Oklahoma, are collected.

SECTION 3. That all assessments hereby levied shall be divided into three (3) equal installments as authorized by said Statutes of the State of Oklahoma for such cases made and provided, that the assessments shall bear interest at the rate of eight (8) per centum per annum payable annually at the time of the payment of the several installments of the said assessments, from the date of taking effect of this ordinance; that the first installment of said assessments together with the accrued interest on the deferred installments shall be payable on the 15th day of December, 1921, and the remaining deferred installments, with the interest thereon, on the annual installments shall be payable on the 15th day of December of each succeeding year until all shall be paid:

Provided, however, that any of the owners of the lots or parcels of land assessed may at any time during the four (4) consecutive weeks following the date of the first publication of this ordinance pay to the City Auditor of the City of Tulsa the full amount of the assessments so levied against their said lots and parcels of land and twenty (20) days after such payment shall release such property from the lien of such assessments.

SECTION 4. That this ordinance shall be published for twenty-one consecutive days in the Tulsa Daily World, a newspaper of general circulation in Tulsa, Oklahoma, that the publication of this ordinance as required by law shall be taken and regarded as sufficient notice to all persons interested in the assessments hereby levied by the terms of this ordinance.

SECTION 5. That all ordinances or parts of ordinances in conflict with the provisions of this ordinance, insofar as such conflict exists, are hereby repealed.

SECTION 6. That an emergency exists for the preservation of the public health and safety, by reason whereof this ordinance shall take effect from and after its passage, approval and publication.

PASSED, and the emergency clause ruled upon separately and approved this 21st day of October, 1921.

T. D. EVANS, Mayor.

Attest:
MRS. FRANK SEAMAN, City Auditor.

Approved:
FRANK E. DUNCAN, City Attorney.
