JOHN H. WHITE, Chairman Lec. Com.

Prof. Green's Lectures.—The course of Lectures in this city and Brooklyn, by the above-named gentleman, has been well patronized, and the universal expression of all who have attended them, is that of general satisfaction. Prof. Green closes his efforts in this vicinity with two lectures during the ensuing week; the first to take place on TUESDAY EVENING, Nov. 15, at Second-st. A. M. E. Church. Subject—"The Beauties of Modern Astronomy"—illustrated by aid of the Drummond light. Admission 15 cents. The second lecture will take place at Zion M. E. Church, corner of Church and Leonard-sts., on THURSDAY EVENING, Nov. 17. Subject—"The World's Reputed Heroes." Admission only one dime. I should be pleased to witness a continuation of the patronage so richly deserved and so kindly bestowed, at the preceding lectures.
JOHN W. JONES.

Seamen's Convention.—A Convention of Chaplains and Friends of Seamen will be held in the Mariners' Church, corner of Madison and Catharine-sts. (under direction of the Port Society), on WEDNESDAY, Nov. 9, at 10 a. m., to consider the best mode of advancing the temporal and spiritual interests of Seamen. The Convention is expected to continue in session three days, and will be open to the public. The days will be devoted to discussion, the evenings to religious exercises. The closing meeting will be at the Cooper Institute on Sabbath evening next (13th), at 7½ o'clock, with addresses and devotional exercises.

Republican Central Committee.—The Executive Committee of the above Committee will hold a meeting THIS (Saturday) EVENING, at No. 618 Broadway, at 7½ o'clock. Punctual attendance is particularly requested.

THE FOUR GEORGES.
D. APPLETON & Co.,
Nos. 346 and 348 Broadway,
PUBLISH ON SATURDAY,
A HISTORY
OF
THE FOUR GEORGES,
KINGS OF ENGLAND,
Containing:
Personal Incidents of Their Lives,
Public Events of their Reigns,
and
Biographical of their Chief Ministers,
Courtiers and Favorites,
By
SAMUEL M. SMUCKER, LL. D.,
Author of "Court and Reign of Catherine II.," "Memorable Scenes in French History," etc.
1 vol., 12mo., 454 pages. $1 25.

"The period during which the Four Georges wielded the scepter of the British Empire, may be justly regarded as the AUGUSTAN ERA OF BRITISH HISTORY.
At no other period has the nation produced so many eminent statesmen, orators, generals, philosophers, poets and savans; nor have public events of equal magnitude and interest occurred at any other epoch of the nation's progress. * * * That the subject of this volume possesses an interest with American readers cannot well be doubted. The era of which we have written was the primitive period of the present time, both in England and the United States."—[Extract from Preface.

12mo. $1.
A great popularity is predicted for this most agreeable and excellent book, by those who have had an opportunity of examining it. Mary Staunton is introduced in her boarding-school life, and, while the evils of that fashionable system of education are illustrated, the character of the heroine is so skillfully developed through her after life, amid scenes of so much interest, and with such grace of style and purity of sentiment, that it acquires a fascination for the reader which increases to the last page of the volume.

THE HERO OF DELHI.
TWELVE YEARS OF A SOLDIER'S LIFE IN INDIA,
Being Extracts from the Letters of the late
Major W. S. R. Hodson, B. A.,
First Bengal European Fusileers, Commandant of Hodson's Horse,
INCLUDING
A PERSONAL NARRATIVE OF THE SIEGE OF DELHI, AND CAPTURE OF THE KING AND PRINCES,
Edited by his brother, the Rev. GEORGE H. HODSON, M. A.,
With an Introduction by the Author of "School Days at Rugby."
The author of "School Days at Rugby" says of the subject of this memoir:
"There is little chance that the subject of this paper will be forgotten by his countrymen, for not only has he carved out with his sword a name for himself which knows few equals even in Indian story, but he has left materials which have enabled his brother to put together one of the best biographies in our language. * * * While England can honor brave deeds and be grateful to brave men, the heroes of the Indian mutiny will never be forgotten, and the hearts of our children's children will leap up at the names of Lawrence, Havelock, and Hodson.
THOMAS HUGHES."
If from the chosen ones of each regiment of England's brave men in the Indian war, a bravest of the brave were to be selected, we believe that Hodson of Hodson's Horse would stand forth the representative of the band of heroes. * * * Neither Fernando Perez del Pulgar, or any Cid, or Paladin, ever achieved nobler exploits than are here recorded.
[London Athenæum.
Ask any soldier who was the bravest man before Delhi, who most in the saddle, who foremost? and nine out of ten in the infantry will tell you, Hodson. [Blackwood's Magazine.
As long as manly courage—a courage which is shown not only in the field of battle, but in the often harder contest of peaceful times—is held in honor, Englishmen will have reason to smile proudly when they speak of Hodson of Hodson's Horse. * * * Many more editions are to come, for thousands are still to read in it the story of a Christian soldier, with whom duty, in its full sense, was the one fixed principle.
[London Examiner.
With regard to the selection of the letters, and the simple narrative which has been contributed to them as a setting, we can hardly overpraise the taste, the judgment, and the manly sense with which the editor has fulfilled his pious task.
[Satur
